- 8.3 Each part of this Agreement is a distinct undertaking. In the event that any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision or part of a provision of this Agreement, which shall remain in full force and effect and shall in no way be affected or invalidated.
- 8.4 With respect to the provisions of this Agreement, which are held to be invalid or unenforceable, in whole or in part, the Parties will negotiate in good faith with the intention to replace the void provision with a valid that in its economic effect complies best with the void provision in a manner consistent with their joint intention as expressed herein and this Agreement shall, to the fullest extent lawful, be reformed and construed as if such invalid or illegal or unenforceable provision, or part of a provision, had never been contained herein, and such provision or part reformed so that it would be valid, legal and enforceable to the maximum extent possible.
- 8.5 Without limiting the foregoing, if any provision (or part of a provision) contained in this Agreement shall for any reason be held to be excessively broad as to duration, activity or subject, it shall be construed by limiting and reducing it, so as to be enforceable to the fullest extent compatible with the existing applicable law.

If you at any time wish to revoke such a Power-of-Attorney, to change the extent of such a Power-of-Attorney or grant Power-of-Attorney to a different person, this shall also be informed to us in writing. We are, in accordance with general rules regarding Powers-of-Attorneys, entitled to receive instructions from any Person authorized by you as well as Persons who appear so authorized. We do reserve the right, however, at our sole discretion, to reject the appointment of any representative/Power-of-Attorney authorized to act in your Account, and we may elect, at our sole discretion, to dismiss and/or reject at any time any performed by such Authorized Representative/ Power-of-Attorney. Pursuant to general rules regarding Powers-of-Attorney, you are accountable to us for losses or damages which we may suffer as a result of instructions from an Authorized Person who has explicit or tacit Power-of-

Attorney to give us instructions on your behalf. We may refuse to act upon any instruction from any Authorized Person if we can render probable that the disposal pursuant to the instruction submitted would be in violation of the legislation relevant to the area, usual market practice, including but not limited to Anti-Money Laundering Legislation, or pertaining to insider trading, or if the disposal by our reasonable discretion will put you and/or our economic solidity at risk.

- 29.9 By opening an Account with us, you will be subject to, and you hereby expressly agree to abide by, all of our rules, policies and operating procedures that govern your activities on our Online Trading Facility. We reserve the right to refuse and/or decline our Services to any Person and to close the Account of any Person at any time, at our sole discretion, and for any reason, without being obliged to provide any explanation or justification. All data relating to Persons who open an Account with us will remain our sole and exclusive property. Chapter D: Terms of Service

30. Services Provided

- 30.1 Subject to the above registration and eligibility requirements, we hereby grant you a personal, revocable, non-exclusive, non-transferable and non-sub-licensable license ("License") that is limited to the provisions of these Terms and Conditions to access and use our Services (including the use of our Online Trading Facility and any associated downloadable Software), all as described in further detail hereinafter.
- 30.2 Under these Terms, we will be dealing with you in Financial Derivatives as principal ("Services").
- 30.3 As part of our Services, we will use reasonable commercial efforts to supply you with the informational and technical means to access and use our Online Trading Facility and provide you with market access and trade execution services ("Transactions") in Supported Financial Derivatives on a 'rolling spot' or 'swap' basis, in a twenty-four- hour mode of operation, subject to the relevant markets in London, the USA and/or Asia being open.

31. Execution of Orders

- 31.1 Unless expressly determined and stated "in the terms agreed upon by mutual consent of the Parties", we offer reception and transmission dealing services to you in relation to transactions in respect of Over-The-Counter ("OTC") traded instruments, such as Contract for Differences

(CFDs) on stocks, indices, precious metals or any other financial instruments or commodities available for trading from time to time via our Online Trading Facility, and such additional services as we may agree from time to time in writing.

- 31.2 We will NOT advise you on the merits or suitability of any Transaction and/or Contracts entered into pursuant to these Terms and Conditions, nor will we manage or monitor your investments. You acknowledge that our execution of any Order on your behalf does not in any way imply that we have approved or recommended that Transaction or investment. For your information, we have set out various risk disclosures on our Online Trading Facility.
- 31.3 Unless expressly determined and stated "in the terms agreed upon by mutual consent of the Parties", all Transactions and/or Contracts we enter into with you or execute on your behalf will be placed and executed in accordance with the terms of our Order Execution Policy (as amended or extended from time to time) full details of which are available on our Online Trading Facility ("**Order Execution Policy**"). Our Order Execution Policy is part of these Terms and Conditions and is incorporated herein by reference, shall be applicable to all Transactions and Contracts entered into by and between you and us to the extent that it does not impose and/or does not seek to impose any obligations on us which we would not otherwise have, but for the Applicable Laws and Regulations.

32. Prices and Open Positions

- 32.1 We will provide you with "*bid*" and "*ask*" prices ("**Price Quote(s)**") in respect of Supported Financial Derivatives through our Online Trading Facility or, in those instances where we have agreed to do so, through our Dealing department. The Price Quotes that we quote are determined by us and usually represent a mark-up or mark-down on inter-bank dealing rates. Our fees and charges are set out on our Online Trading Facility. Each price published shall be valid until the earlier of its expiration time and the time, if any, at which it is otherwise withdrawn by us.
- 32.2 Each Price Quote shall be available for use in a dealing instruction for a Transaction and/or Contract with a principal amount not to exceed a maximum leverage amount determined by us, published on our Online Trading Facility or otherwise notified to you ("**Leverage**"). You acknowledge that the prices and maximum Leverage we may offer to you may differ from prices and Leverage provided to other clients of ours and may be withdrawn or changed by us at any time without prior notice and without any obligation on our end to provide any explanation and/or justification. We may, in our absolute discretion and without prior notice to you, immediately alter, withdraw or refuse to deal on any Price Quote we may have published or cease the provision of Price Quotes altogether in some or all Supported Securities and for some or a value dates at any time and without any obligation on our end to provide any explanation and/or justification.
- 32.3 Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", our Services are restricted to executing Transactions and/or Contracts in Supported Securities via our Online Trading Facility at the Price Quotes displayed on our Online Trading Facility or otherwise communicated to you at your request.

33. Instructions and Basis of Dealing

- 33.1 **Placing of instructions:** Unless expressly agreed upon otherwise by us, all dealing instructions must be given to us electronically via our Online Trading Facility. We may, in our absolute discretion, require confirmation (in such form as we may specify) of any dealing instruction, as appropriate. We shall be authorized to follow instructions notwithstanding your failure to confirm them in writing. Instructions for the simultaneous entering into a Contract for the purchase and a Contract for the sale of a certain Financial Instrument on behalf of the same beneficial owner may NOT be given under this Agreement. A dealing instruction or Order given

by you to us shall not take effect until it is actually received by us. In this Agreement, unless the context requires otherwise, instructions and orders shall have the same meaning.

33.2 Right not to accept Instructions/Orders: We may (but shall not in any circumstances be obliged to) accept instructions to enter into a Transaction and/or Contract. We may, at our absolute discretion, refuse to accept any dealing instruction given by you or on your behalf, in whole or in part, and refuse to act on it without giving any reason or being liable for any loss that occurred thereby. In addition, a dealing instruction which, for any reason, is not received by us in a manner in which it can be processed, including a failure of our Online Trading Facility to accept or process such instruction, shall be deemed not to have been received by us. We reserve the right to refuse to enter into any Transaction and/or Contract. Such situations include but are not limited to, when:

1. trades are placed outside of the market hours;
2. trades are individually or in the aggregate larger than the maximum quantity or smaller than the minimum quantity we set for the market;
3. your margin is insufficient to fund the proposed Transaction and/or Contract;
4. our Price or the Transaction and/or Contract derives from a Manifest Error;
5. we believe the Transaction and/or Contract would be in breach of this Agreement or any legal or regulatory requirement applicable to you or us.

33.3 Binding Effect: Confirmation of a dealing instruction by us shall constitute a binding agreement between us on the terms of such instruction. The procedure for entering dealing instructions is specified on our Online Trading Facility in the online trading section.

33.4 Cancellation/withdrawal of instructions: We can only cancel your instructions if we have not acted upon those instructions. Once an instruction has been given by you or on your behalf, it cannot be rescinded, withdrawn or amended without our express prior written consent.

33.5 Control of Orders prior to execution: We have the right (but no obligation) to set limits and/or parameters to control your ability to place Orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation) (a) controls over maximum Order amounts and maximum Order sizes; (b) controls over our total exposure to you; (c) controls over prices at which Orders may be submitted (to include (without limitation) controls over Orders which are at a price which differs greatly from the Market Price at the time the Order is submitted; (d) controls over our Electronic Services (to include (without limitation) any verification procedures to ensure that any particular Order has come from you); or (e) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Laws, Rules and/or Regulations.

The Company has the right to amend and/or cancel any Orders which have been executed within a very small timeframe and the cumulative sizes of those Orders exceed the maximum allowable Order size limit (i.e. a Client may place five orders within two seconds, which individually are all below the maximum allowable Order size limit but exceed the limit on a cumulative basis).

33.6 Order Execution Policy: We shall use our reasonable endeavors to execute any Order promptly, but in accepting your Orders, we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to your instructions. In general, we shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act in accordance with our Order Execution Policy. If, after instructions are received, we believe that it is not reasonably practicable to act upon such instructions within a reasonable time, we may defer acting upon those instructions until it is, in our reasonable opinion, practicable to do so, or we may notify you that we are refusing to act upon such instructions. We shall not be liable for any losses resulting from such deferral or

refusal. If we encounter any material difficulty relevant to the proper carrying out of an Order on your behalf, we shall notify you promptly. We shall carry out an Order on your behalf only when the relevant Market is open for dealings, and we shall deal with any instructions received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). You agree that we may execute an Order on your behalf outside a Market. When you give us a specific instruction, our Order Execution Policy may not apply, and we may be unable to take the steps described in such policy to obtain the best possible result in executing your Order. You confirm that you have read and agree to our Order Execution Policy as published on our Online Trading Facility. We will notify you of any material changes to our Order Execution Policy, but it is your responsibility to check for any other changes to our Order Execution Policy as published from time to time on our Online Trading Facility. We will consider the continued placement of Orders by you to constitute your continued consent to our Order Execution Policy as in effect from time to time.

- 33.7 **Crossing of Orders:** We may arrange for a Transaction and/or Contract to be executed, either in whole or in part, by selling an investment to you from another client, or a client of an Affiliate of ours, or vice-versa. We shall not give you prior notice if we arrange for a Transaction and/or Contract to be executed in this manner.
- 33.8 **Aggregation and Split of Orders:** We are entitled, in our absolute discretion, to combine and/or aggregate your Orders with our own Orders and/or with Orders of any of our Associates and/or Persons connected with us, including employees and/or other clients. Furthermore, we may split your Orders when executing them. Orders will only be aggregated or split, however, if we reasonably believe it to be in your best interest. On some occasions, however, aggregation and split of your Order may result in you obtaining a less favorable price in relation to a particular Order than if your Orders had been executed, respectively, separately, or mutually.
- 33.9 **Confirmation of instructions:** We may (but shall not in any circumstances be obliged) to require confirmation of any instruction in such form as we may reasonably request if it appears to us that such confirmation is necessary or desirable; or such instruction is to close an Account or remit money due to you. It is your responsibility to inform us of any change to your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect before settlement.
- 33.10 **Performance and Settlement:** You will promptly deliver any instructions, money, documents, or property that we may require from you or which is deliverable by you under a Transaction and/or Contract in accordance with that Transaction and/or Contract, as modified by any instructions given by us, for the purpose of enabling us to perform our obligations under the relevant matching Transaction and/or Contract on a Market or with an intermediate broker. If you do not provide us with such instructions promptly, we may, at our absolute discretion, take such steps at your cost as we consider appropriate for our own protection or for your protection. This provision is similarly applicable when we cannot obtain contact with you.
- 33.11 **Intermediate Brokers and other Agents:** We may, at our entire discretion, arrange for any Transaction to be affected with or through the agency of an intermediate broker, who may be an Associate of ours and may or may not be in Saint Vincent and the Grenadines. Neither we nor our respective directors, officers, employees, or agents will be liable to you for any act or omission of such an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents you select.
- 33.12 **Position Limits:** We may, in our absolute discretion, require you to limit the number of open positions you may have with us at any time and/or only allow you to enter into closing transactions. We may also close out any one or more positions or reverse Transactions and/or Contracts to ensure that the position limits we have imposed are maintained.

- 33.13 **Fluctuations in Exchange Rates:** If you enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such Transaction and/or Contract will be entirely for your account and risk.
- 33.14 **Trade Reporting:** Under Applicable Laws, Rules, and Regulations, we may be obliged to announce certain Transactions or Contracts to the public. You agree and acknowledge that all proprietary rights in such Transaction and/or Contract information are owned by us, and you waive any duty of confidentiality attaching to the information that we reasonably disclose.
- 33.15 **Rollover:** If we do not receive instructions from you to settle any open Transactions and/or Contracts by the close of the Business Day, we are hereby authorized (but not obliged) to transfer all said Contracts to the next business date traded (“**Rollover**”), as provided in further detail in Section 39 hereinafter.

34. Electronic Trading Terms

- 34.1 **Settlement/Trade Confirmation:** You acknowledge the electronic nature of our Services via our Online Trading Facility and the inherent risk that communications by electronic means may not reach their intended destination or may do so much later than intended for reasons outside our control. Accordingly, any instruction sent by you or on your behalf via our Online Trading Facility or by e-mail shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between you and us when such instruction has been recorded as executed by us and confirmed by us to you through a Settlement/Trade Confirmation, and the mere transmission of an instruction by you or on your behalf shall not by itself constitute a binding Contract between you and us.
- 34.2 **Communications via the Internet:** Since we do not control signal power, its reception or routing via Internet or any other means of electronic communication, configuration of our clients’ equipment or reliability of its connection, we shall not be liable for any claims, losses, damages, costs or expenses, including attorneys’ fees, caused directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility belonging to us, nor for any loss, expense, cost or liability suffered or incurred by you as a result of instructions being given, or any other communications being made, via the Internet. You will be solely responsible for all Orders, and for the accuracy of all information, sent via the Internet using your Access Codes. We will not execute an Order until we have confirmed the Order to you, and transmission of an Order by itself shall not give rise to a binding Transaction and/or Contract between you and us.
- 34.3 **Mobile trading technology:** There are a series of inherent risks with the use of mobile trading technology, such as the duplication of Orders/instructions, latency in the prices provided, and other issues that are a result of mobile connectivity. Prices displayed on our mobile platform are solely an indication of the executable rates and may NOT reflect the actual executed price of the Order. Our mobile feature utilizes public communication network circuits for the transmission of messages. We shall not be liable for any and all circumstances in which you experience a delay in Price Quote or an inability to trade caused by network circuit transmission problems or any other problems outside our direct control, which include but are not limited to the strength of the mobile signal, cellular latency, or any other issues that may arise between you and any internet service provider, phone service provider, or any other service provider. Please also note that some of the features available on Online Trading Facility may not be available on our mobile feature.
- 34.4 **Username and Passwords:** You are obliged to keep your usernames and passwords (“**Access Codes**”) secret and ensure that third parties do not obtain access to our Online Trading Facility. Without prejudice to any other provisions of this Agreement, you will be liable for all

Transactions and/or Contracts executed by means of your Access Codes, even if such may be wrongful.

- 34.5 **Pricing Data:** Unless otherwise indicated or agreed upon, any prices shown on our Online Trading Facility are indicative at the time shown based on data that is subject to constant change. The execution price is that which is confirmed to you on the Settlement/Trade Confirmation issued (whether on screen or otherwise) after your Order is executed, although this price may, in certain cases, differ from the price appearing on the screen at the time the Order was placed. In the event that an erroneous price is used as the basis of any transaction, we reserve the right, at our sole discretion, to amend or revoke the details of the Transaction(s) and/or Contract(s) in question.
- 34.6 **Restrictions on Services Provided:** There may be restrictions on the total value and/or number of Transactions and/or Contracts that you can enter into on any one day and also in terms of the total value and/or number of those Transactions and/or Contracts when using our Online Trading Facility.
- 34.7 **Limit Order Functionality:** The 'Limit Order' functionality of our Online Trading Facility will be subject to the Internet service remaining available over the period in which the 'Limit Order' is outstanding and will be subject to size limits input by our dealer(s) remaining in excess of your Order size and such dealer's position limits and/or any other limits determined by us to be applicable to you (whether or not disclosed to you) and your still being able to facilitate the Order at the time the limit price is reached.
- 34.8 **Access Requirements:** You will be responsible for providing the computer system(s) to enable you to access and/or use our Online Trading Facility and for making all appropriate arrangements with any telecommunications suppliers or, where access to our Online Trading Facility is provided through a third-party server, any such third party, necessary in order to obtain access to our Online Trading Facility; neither we nor any company maintaining, operating, owning, licensing, or providing services to us in connection with, our Online Trading Facility (a "Third Party Service Provider") makes any representation or warranty as to the availability, utility, suitability or otherwise of any such equipment, software or arrangements.
- 34.9 **Virus detection:** You will be responsible for the installation and proper use of any virus detection/scanning program we require from time to time and for the implementation and regular use of up-to-date virus detection/scanning programs. In the event you become aware of a material defect, malfunction, or virus in your computer system(s) or in our Online Trading Facility, you will immediately notify us of such defect, malfunction, or virus and cease all use of our Online Trading Facility until you have received permission from us to resume.
- 34.10 **Use of Information, Data, and Software:** In the event that you receive any data, information, or software via our Online Trading Facility other than that which you are entitled to receive pursuant to this Agreement, you will immediately notify us in writing and will not use, in any way whatsoever, such data, information or Software.
- 34.11 **Maintaining standards:** When using our Online Trading Facility you must: (a) ensure that your computer systems are maintained in good order and are suitable for use with our Online Trading Facility; (b) run such tests and provide such information to us as we shall reasonably consider necessary to establish that your computer systems satisfy the requirements notified by us to you from time to time; (c) carry out virus checks on a regular basis; (d) inform us immediately of any unauthorized access to our Online Trading Facility or any unauthorized Transaction or instruction which you know of or suspect and, if within your control, cause such unauthorized use to cease; and (e) not at any time leave the computer terminal from which you have accessed our Online Trading Facility or let anyone else use such computer terminal until you have logged off from our Online Trading Facility.

- 34.13 **Intellectual Property:** All rights in patents, copyrights, design rights, trademarks, and any other intellectual property rights (whether registered or unregistered) relating to our Online Trading Facility remain vested in us or our Licensors. You will not copy, interfere with, tamper with, alter, amend, or modify our Online Trading Facility or any part or parts thereof unless expressly permitted by us in writing, reverse compile or disassemble our Online Trading Facility, nor purport to do any of the same or permit any of the same to be done.
- 34.14 **Liability And Indemnity:** Without prejudice to any other terms of this Agreement, relating to the limitation of liability and provision of indemnities, the following clauses shall apply to the Services we provide via our Online Trading Facility: (a) **System errors:** We shall have no liability to you for damage which you may suffer as a result of transmission errors, technical faults, malfunctions, illegal intervention in network equipment, network overloads, malicious blocking of access by third parties, internet malfunctions, interruptions or other deficiencies on the part of internet service providers. You acknowledge that access to our Online Trading Facility may be limited or unavailable due to such system errors, and that we reserve the right upon notice to suspend access to our Online Trading Facility for this reason; (b) **Delays:** Neither we nor any third party software provider accepts any liability in respect of any delays, inaccuracies, errors or omissions in any data provided to you via our Online Trading Facility; (c) **Viruses from our Online Trading Facility:** We shall have no liability to you (whether in contract or in tort, including negligence) in the event that any viruses, worms, software bombs or similar items are introduced into your computer system(s) via our Online Trading Facility or any software provided by us to you in order to enable you to use our Online Trading Facility, provided that we have taken reasonable steps to prevent any such introduction; (d) **Viruses from your Computer System(s):** You will ensure that no computer viruses, worms, software bombs or similar items are introduced into our Online Trading Facility, computer system(s) or network(s) and you will indemnify us on demand for any loss that we suffer arising as a result of any such introduction.
- 34.15 **Unauthorized use:** We shall not be liable for any loss, liability, or cost whatsoever arising from any unauthorized use of our Online Trading Facility. You shall, on demand, indemnify, protect, and hold us harmless from and against all losses, liabilities, judgments, suits, actions, proceedings, claims, damages, and costs resulting from or arising out of any act or omission by any person using our Online Trading Facility by using your designated Access Codes (usernames and/or passwords), whether or not you authorized such use.
- 34.16 **Suspension or permanent withdrawal with notice:** Without prejudice to any other provisions of this Agreement, we may suspend or permanently withdraw our Online Trading Facility by giving you five (5) calendar days written notice.
- 34.17 **Immediate suspension or permanent withdrawal without notice:** Without prejudice to any other provisions of this Agreement, we shall be entitled, unilaterally and with immediate effect, to suspend or withdraw permanently your ability to access and/or use our Online Trading Facility, or any part thereof, without prior notice, where we consider it necessary or advisable to do so, for example due to: (a) your non-compliance with any Applicable Laws, Rules and/or Regulations (b) breach of any provisions of this Agreement; (c) on the occurrence of an Event of Default; (d) network problems; (e) failure of power supply; (f) maintenance; or (g) to protect you when there has been a breach of security. In addition, the use and/or access of our Online Trading Facility, or any part thereof, may be terminated automatically, upon the termination (for whatever reason) of (a) any license granted to us

which relates to the operation of our Online Trading Facility; or (b) this Agreement. The use and/or access of our Online Trading Facility may be terminated immediately, in whole or in part, if any Underlying Instruments relating to any Supported Financial Instrument(s) is/are withdrawn by any Market and/or if we are required to withdraw our Online Trading Facility, in whole or in part, to comply with Applicable Laws, Rules and/or Regulations.

- 34.18 **Effects of permanent withdrawal:** In the event of a termination of the access and/or use of our Online Trading Facility for any reason, upon our first request, you shall, at our option, return to us or destroy all hardware, Software, System Documentation and/or other documentation or files we have provided to you in connection with our Online Trading Facility, and any copies thereof.

35. Electronic Trading Methodology

- 35.1 Upon receipt of a Price Quote from us via our Online Trading Facility, you may issue a Deal Request to us via our Online Trading Facility, applying the very most recent Price Quote sent to you. You acknowledge that you shall not be entitled to the execution of a Transaction and/or Contract and shall not be entitled to send a Deal Request to us via our Online Trading Facility in response to a Price Quote unless such Price Quote indicates that it is a Dealable Quote.
- 35.2 Upon receipt of a Deal Request from you via our Online Trading Facility, we shall issue a Deal Response to you via our Online Trading Facility. The Deal Response will indicate whether your Deal Request was accepted or not.
- 35.3 Notwithstanding anything to the contrary in this Agreement, you acknowledge and agree that we shall not be under any obligation to provide a Deal Response to you to the extent that a Credit Limitation exists with respect to your Account. We acknowledge and agree to disclose any such Credit Limitations to you.
- 35.4 You acknowledge and agree that if and when you issue a Deal Request to us via our Online Trading Facility, you shall be bound to the terms of the Transaction and/or Contract upon our placement of the Deal Response. In case of failure to receive any Deal Response due to connectivity problems, you shall immediately contact us through other means of communication to obtain confirmation of the executed Transaction and/or Contract. You acknowledge and agree that you are solely responsible for all Deal Requests submitted via our Online Trading Facility and that we are under no duty of inquiry regarding the capacity of any Person using any Access Codes (logins and passwords) issued to you and that any such Person will be deemed by us as having the authority to bind you with respect to all Deal Requests submitted to us via your Account on our Online Trading Facility.

36. Trade Confirmations and Account Statements

- 36.1 **Electronic Settlement/Trade Confirmations:** Following the execution of a dealing instruction for your Account, we will confirm that Transaction and/or Contract as soon as we reasonably can by posting a trade confirmation (“**Settlement/Trade Confirmation**”) on our Online Trading Facility, but failure to do so will not affect the validity of the transaction. Settlement/Trade Confirmations will normally be available instantly following the execution of the Transaction via our Online Trading Facility. Confirmations shall be deemed to be conclusive and binding on you if not objected to immediately upon receipt, with such objection confirmed in writing (including e-mail or electronic mail) no later than close of business on the business day (being a day, other than a Saturday, Sunday or public holiday, when banks in Saint Vincent and the Grenadines are open for business) (a “**Business Day**”) following the day on which the Settlement/Trade Confirmation is posted on our Online Trading Facility. In the event that you believe to have entered into a Transaction or Contract, which should have produced a Settlement/Trade Confirmation or otherwise a posting on your Account, but you have not

received such confirmation, you must inform us immediately when you ought to have received such confirmation. In the absence of such information, the Transaction and/or Contract may, at our reasonable discretion, be deemed to be non-existent.

- 36.2 **Reports of Account Activity:** We will post details of your Account activity on our Online Trading Facility, and you will be able to generate daily and monthly of your Account activity as well as a report of each executed Transaction and/or Contract. Updated Account information normally will be updated periodically during our Dealing Hours and will, in any event, be available no more than twenty-four (24) hours after any activity takes place on your Account. Posting of Account Information (as defined below) via our Online Trading Facility will be deemed delivery of Settlement/Trade Confirmations and Account statements. Account information will include Settlement/Trade Confirmations with ticket numbers, purchase and sale rates, utilized Margin available for Margin trading, statements of profits and losses, as well as current open positions, and any other information required to be provided under Applicable Laws, Rules, and/or Regulations and any other information we may make available (“**Account Information**”). We may, in our absolute discretion, withdraw or amend any Account Information at any time. Unless otherwise determined and stated, "in the terms agreed upon by mutual consent of the Parties," you agree that we are under no obligation to provide confirmations in hard copy or by e-mail rather than through our Online Trading Facility. By accepting these Terms and Conditions, you agree not to receive any Account Information in printed form from us other than upon specific request. You must verify the contents of all Account Information received from us. The Account Information posted on our Online Trading Facility shall (save if manifestly incorrect) be conclusive evidence of your Transactions and/or Contracts, open positions, Margin, and cash balances and shall be conclusive and binding on you, if not objected to immediately upon receipt with such objection confirmed in writing (including e-mail or electronic mail) no later than close of business on the Business Day following the day on such information is posted on our Online Trading Facility.

37. Consent to Receive Electronic Transmission of Trade Confirmations and Account Statements

- 37.1 You consent to receive all Account information and Settlement/Trade Confirmations via the Internet, and that Orders or instructions given to you via e-mail or other electronic means will constitute evidence of the Orders or instructions given. You will be able to access all your Account information via our Online Trading Facility using your own Access Codes. You will have access via our Online Trading Facility to customizable statements that will allow you the ability to view, individual Transactions and/or Contracts, daily, weekly, and monthly reports and trade information. The updated Account information normally will be updated periodically during our Dealing Hours and will, in any event, be available no more than twenty-four (24) hours after activity is generated in your Account.
- 37.2 The posting of these activities will be deemed as the delivery of Settlement/Trade Confirmation and Account activity statements. The information will include Settlement/Trade Confirmations with ticket numbers, buy and sale rates, transaction amount, statements of profit and loss, current open positions as well as pending Orders.
- 37.3 If you no longer wish to communicate via electronic media, you must notify us and revoke this consent in writing. If you do not wish to communicate via electronic media at all, you must inform us of your wishes when applying to open an Account with us. However, if you revoke your consent, your access to our Online Trading Facility may be restricted or terminated at our sole discretion.
- 37.4 As previously indicated, any such communications being made via electronic media shall be treated as satisfying any legal requirement that a communication should be signed and ‘in writing’, to the extent permitted by Applicable Laws, Rules, and/or Regulations Furthermore,

you hereby waive any rights or requirements under any Applicable Laws, Rules and/or Regulations in any jurisdiction which require an original (non-electronic) signature or delivery or retention of non-electronic records, to the extent permitted under applicable mandatory law.

38. Recording of Telephone Conversations, Internet Conversations (Chat), and Meetings

- 38.1 Your telephone conversations, Electronic Messaging, e-mails, internet conversations (chat), meetings, and other communications with us may be recorded/maintained by us. Any recordings shall be and shall remain our sole property and will be accepted by you as conclusive evidence of their content as recorded by us. You agree that we may deliver copies of transcripts of such recordings to any court, regulatory, or government authority, including without limitation, in disputes which may arise between you and us.
- 38.2 However, technical reasons may prevent us from recording a conversation, and recordings or transcripts made by us will be destroyed in accordance with our normal practice. Consequently, you should not rely on such recordings to be available.

39. Rollover and Offset Instructions

- 39.1 Rollover in CFDs is the process of extending the settlement date of an open position. Since CFDs are derivatives and do not involve physical delivery of the underlying asset, they are typically traded on margin. As a result, positions must be closed at the end of each trading day and reopened the next day, effectively pushing the settlement date forward. This process is known as rollover, and it ensures that traders can maintain their positions without needing to settle the contract. However, rollover may incur a financing charge, known as a swap rate, which reflects the cost of holding the leveraged position overnight.
- 39.2 Rollover for CFDs is conducted through a swap mechanism, which can result in either a cost or gain for traders. Unlike closing and re-opening positions, a rollover fee will be charged or credited to your trading account for any CFD positions held open overnight. This "Rollover Fee" is based on the prevailing interest rates and will be applied to your account accordingly. In CFD trading, 2:00 GMT marks the beginning and the end of the financial trading day. Any open CFD positions at exactly 22:00 GMT will be subject to rollover and held overnight. Positions opened at 22:01 GMT will not incur a rollover until the next day, but if a position is opened at 21:59 GMT, the rollover will occur at 22:00 GMT. For each position held open at 22:00 GMT, a debit or credit will appear in your account within one hour and be applied directly to your equity account, based on the applicable interest rates.
- 39.3 The Rollover Fees that we charge will be published on our Online Trading Facility. We shall attempt to collect such Rollover Fees from the free balance in your Account with us. In the event that we are unable to collect such Rollover Fee(s) from the free balance in your Account with us, we reserve the right to close part or all of your open positions as per our Order Execution Policy. You shall be liable for promptly paying all Rollover Fees(s), even if all Margin previously deposited by you has been lost.
- 39.4 In the absence of clear and timely instructions from you, we are authorized, at our absolute discretion, to offset all or any portion of the positions in your Account(s) or to make or receive delivery on your behalf upon such terms and by such methods deemed reasonable by us.

Chapter E: Trading-In Shares

Our share trading service is not suitable for everyone. A full explanation of the risks associated with our share trading service is set out in the Risk Disclosure for Financial Instruments and you should ensure you fully understand such risks before entering into such transactions with us.

This Chapter sets out the basis on which we will receive and handle Instructions to Deal from you, enter into Transactions on your behalf, and hold Instruments and money on your behalf. The terms set out herein govern each Instruction to Deal issued or outstanding, and each Transaction entered into or outstanding on or after this Agreement comes into effect and all Instruments and money held by us on your behalf on or after this Agreement comes into effect.

40. Execution

- 40.1 **‘Execution-only’ broker:** We will act as your ‘execution-only’ broker (i.e., on a non-advised basis) and we will provide all share trading and investment services. The Company may delegate certain obligations under this Agreement to its Affiliated/Associated entities and third parties.
- 40.2 Dealing with you on an ‘execution-only’ basis (i.e., on a non-advised basis) means that, unless otherwise agreed in this Agreement, the Company is under no obligation:
1. to satisfy itself as to the suitability of any Instrument of Transaction, under the scope of this Chapter, for you;
 2. to monitor or advise you on the status on any Instruction to Deal;
 3. to monitor or advise you of the status of Instruments held by us on your behalf;
 4. (except where the Applicable Laws and Regulations require) to cancel any Instructions to Deal or sell any Instruments you have purchased and that we hold on your behalf.
- 40.3 The Company may deal/cooperate with **Underlying Markets** (i.e., Exchanges, Market Makers, or other similar bodies). The Company may proceed with executing a Client’s order outside of a regulated market as long as this action is deemed to be in line with its Order Execution Policy. By signing this Agreement, you agree that we may enter into Transactions on your behalf outside a regulated market.
- 40.4 We may, at our reasonable discretion, arrange for Instructions to Deal to be executed with or through a third party. We will not be liable to you for any act or omission of any such third party except where we have acted negligently, fraudulently, or in willful default in relation to the appointment of the third party.
- 40.5 Unless the context otherwise requires, we will act on your behalf to execute your Instructions to Deal as principal. This means that we treat you as a Client for all purposes, and you will be responsible for performing your obligations under each Instruction to Deal issued by you and each Transaction that is entered into by us on your behalf. You are the sole person responsible for your decision to enter into or refrain from entering into a Transaction.
- 40.6 We are not providing you with any investment, financial, legal, regulatory, or other form of advice. You may wish to seek independent advice in relation to any Transaction you propose to enter into under this Agreement. You are required to rely on your own judgment in entering into or refraining from entering into, providing us with an Instruction to Deal or from entering into, or refraining from entering into, a Transaction. You are not entitled to ask us to provide you with financial product advice relating to an Instrument, Instruction to Deal, or Transaction or to make any statement of opinion to encourage you to enter into a particular Transaction.
- 40.7 The Company may aggregate Instructions to Deal received from its clients. Aggregation means that we may combine your Instruction to Deal with those of other clients of ours for execution as a single order. We may combine your Instruction to Deal with those of other clients if we reasonably believe that this is in the overall best interests of our clients as a whole. However, on occasions, aggregation may result in you obtaining a less favorable price once your Instruction to Deal has been executed. You acknowledge and agree that we shall not have any liability to you as a result of any such less favorable price being obtained.

- 40.8 You acknowledge that the product details applicable at the time you open or close a CFD position (i.e., when you Buy or Sell a CFD Instrument) will be those displayed on our website(s). These details, including any fees, spreads, and contract specifications, may be updated from time to time.
- 40.9 Market conditions may affect the time it takes to execute Limit Orders, Stop Orders, and Market Orders. We cannot guarantee that a Limit Order or a Stop Order will be executed even if the limit or stop price is reached. You acknowledge and accept that the Company has no liability for any actual or potential loss that may occur if there is a delay in execution due to the market conditions. Market conditions may also result in the execution of an Order being at a price above or below the requested price.
- 40.10 Without prejudice to any other terms of this Agreement, we will have no liability to you in relation to any loss, costs, or expenses that may incur as a result of:
1. any inability by you to execute an Instruction to Deal;
 2. any delay or change in market conditions before we execute an Instruction to Deal or before a Transaction settles; or
 3. any cause beyond our reasonable control and the effect of which is beyond our reasonable control to avoid.
- 40.11 You will enter into a Transaction by 'buying' or 'selling'. A Transaction must always be made for a specified number of Instruments.
- 40.12 We will provide you with the Buy and Sell prices for Instruments in the Underlying Market.
- 40.13 We may receive your Instruction to Deal either electronically via our Electronic Trading Platform(s) or by such other means as we may, from time to time, notify you. Our quoting of a Buy or Sell price for each Instrument (via Electronic Trading Service or otherwise) does not constitute an offer to execute your Transaction at those prices on your behalf. An Instruction to Deal will be initiated by you offering to Buy or Sell an Instrument in a specified quantity and with reference to a specific order type. Instructions to Deal form a commitment which may only subsequently be revoked by you with our prior consent (such consent will not be unreasonably withheld) at any time before the Instruction to Deal is executed. We will confirm to you whether we have accepted or rejected an Instruction to Deal. The acceptance of an Instruction to Deal will be evidenced by our confirmation of its terms to you.
- 40.14 If an Instruction to Deal is accepted, we will confirm to you whether a Transaction is partially or fully filled in the Underlying Market. We endeavor to execute all eligible Instructions to Deal as soon as reasonably practicable. However, there is no guarantee that your Instruction to Deal will be filled in full or in part in the Underlying Market. Where a delay occurs because we are unable to interact with the relevant Underlying Market for any reason, we will attempt to execute the Instruction to Deal as soon as reasonably practicable. You acknowledge and accept that the market price of any Instrument may have moved during the time between our receipt and acceptance of your Instruction to Deal and our attempt to execute it. In these circumstances, the third party who has provided the quotation to us is not obliged to honor the indicative price you have received, and if that is the case, we may reject your Instruction to Deal. The Company shall have no liability for such price movements which may be in your favor or against you.
- 40.15 We may, at our absolute discretion, make available to you 'Orders on Shares'. Not all Orders on Shares are available on all Instruments or Underlying Markets and not all Orders on Shares are available on all Electronic Trading Platforms. Orders may operate differently depending on the third party that we send your Order on Shares to.

- 40.16 In case the Underlying Market is temporarily suspended in any Instrument that is subject to an Instruction to Deal at any time, then the applicable Instruction to Deal will also be suspended, and you will not be able to Sell or Buy any Instruments we hold on your behalf.
- 40.17 By using such Orders on Shares, you expressly acknowledge and agree that it is your responsibility to understand how an Order on Shares operates before you place any such order with us and that you will not place an Order on Shares unless you fully understand the terms and conditions attached to such order.

41. Fees and Commission

- 41.1 When you enter into a Transaction, you will pay us a commission that is calculated as a percentage of the value of the Transaction or as an amount per Instrument(s) or on any other basis agreed between you and us in writing (the “Commission”). In addition to the Commission, other applicable charges and taxes may exist in relation to Buying, Selling, or holding an Instrument using our service depending on the Underlying Market and the Instrument being bought, sold, or held. Additional charges may also be incurred by you in the case of delayed or failed settlement of a Transaction. Any such amounts will be your responsibility and, where appropriate, will be deducted from your Account.
- 41.2 You accept and agree that minimum charges per Transaction apply depending on the Exchange and the Instrument. You also acknowledge and agree that charges, including the minimum charges, are those displayed on the website and may be updated from time to time.
- 41.3 We may charge you for the provision of market data or any other account feature or such other charges as we reasonably advise you from time to time.
- 41.4 You must pay or reimburse us for any charges or taxes applicable, now or in the future, to your Instructions to Deal, Transactions, Commission, or charges payable by you pursuant to this Agreement.
- 41.5 Unless we agree otherwise, all sums payable by you are due immediately and must be paid upon entering into the Transaction.
- 41.6 If you Buy an Instrument, the consideration for the Transaction and, in addition, the Commission payable and all applicable charges and taxes to that Transaction will be your responsibility and will be deducted from your account and held by us as pending settlement. Monies deducted will not be treated as client money on the day of the expected settlement. If settlement does not occur on the day of the expected settlement, the monies will be treated as client money. It is your responsibility to ensure, at all times, that sufficient cleared funds are in your account to satisfy the settlement of any Transaction and all commissions, charges, and taxes associated with that Transaction.
- 41.7 If you Sell an Instrument, the consideration for the Transaction is less Commission, and all applicable charges and taxes to that Transaction will be available on your account for re-investment but will be unable to be withdrawn from your account until the Transaction has settled. It is your responsibility to ensure, at all times, that sufficient cleared funds are in your account to satisfy the settlement of any Transaction and all Commissions, charges, and taxes associated with that Transaction.

42. Refuse or Cancel Your Instructions to Deal

- 42.1 You acknowledge, understand, and accept that we reserve the right, on our reasonable discretion, to refuse to accept an Instruction to Deal if any of the following applies:

1. the relevant Underlying Market is not open for trading;
 2. you do not have sufficient funds on your account to cover the cost of the Transaction (including all Commission, charges, taxes, and any amount in addition to the current price of the Instrument(s) that we reasonably consider may be necessary);
 3. you have exceeded any limit applicable to you or in respect of your dealings with us;
 4. we have reasonable grounds to consider that the Instruction to Deal may not have come from you;
 5. in case of “Force Majeure” events;
 6. by carrying out the instruction, we or an Associated Company may be in breach of Applicable Laws, Rules and/or Regulations;
 7. we want to check the instructions with you for some reason (e.g., potential/suspected fraud).
- 42.2 If we accept an Order on Shares and then an event takes place, which means that it is no longer reasonable for us to act on that order, we will be entitled to cancel your order. If we cancel your order, then we shall not have any liability to you as a result of such action, and we shall not re-enter that order. Examples of such events include but are not limited to:
1. a change in the Applicable Laws, Rules, and/or Regulations so that the Order on Shares or the Transaction to which the Order on Shares relates is no longer in compliance with the Applicable Laws, Rules and/or Regulations;
 2. a change in the Applicable Laws, Rules and/or Regulations so that the Order on Shares or the Transaction to which the Order on Shares relates to is no longer in compliance with the Applicable Laws, Rules and/or Regulations;
 3. for Orders on Shares, an event takes place in respect of the company whose shares represent all or part of the subject matter of the order, for example, a corporate event, dividend or the insolvency of the company;
 4. if we cease to offer the Order on Shares that you have requested;
 5. Underlying Market conditions pose a severe risk to any of the parties involved in the transaction.
- 42.3 We may be required to cancel a Transaction or an Instruction to Deal if requested or recommended by an Exchange or a Trading Partner, and you agree to use all reasonable endeavors to assist us in this regard.

43. Transaction Restrictions

- 43.1 You may only sell Instruments held on your account, whether settled or unsettled, at the time of sale. If you have entered into an Instruction to Deal to Sell an Instrument that you do not own at the time of the sale and that is not held on your Account, whether settled or unsettled at the time of sale, you authorize us to either cancel that Instruction to Deal if it has not already been executed or, if the Instruction to Deal has been executed, purchase the equivalent Instrument in the equivalent quantity on your behalf and at your expense, and you agree that you shall be liable for any associated fines or charges incurred by us or you.
- 43.2 You warrant and represent that you will use reasonable endeavors to ensure that any Instructions to Deal placed by you with us are consistent with accepted market practice and conduct in the relevant Underlying Market.
- 43.3 **US Shares:** We will ask you to sign the relevant US tax form before we accept an Instruction to Deal from you to Buy an Instrument in relation to Shares listed on the Exchanges in the US. If you have not previously provided us with a valid US tax form and you already hold US Shares, we will ask you to complete the relevant US tax form. If you do not return the signed

and completed US tax form before the date we specify (usually 30 days), we reserve the right to sell your US Shares. You have an ongoing obligation to inform us of your tax status changes.

44. Electronic Trading Services

- 44.1 You authorize us to act on any instruction given or appearing to be given by you through our Electronic Trading Platform or through your account. We are not obliged to act on any such instruction or to execute any particular Instruction to Deal and need not give any reasons for declining to do so. Instructions to Deal that you give form a commitment which may only subsequently be amended or revoked by you with our prior consent (such consent will not be unreasonably withheld) at any time before the Instruction to Deal is executed. You will be responsible for the genuineness and accuracy, both as to content and form, of any instruction received by us.
- 44.2 You acknowledge we have the right, unilaterally and with immediate effect, to suspend or terminate (at any time, with or without cause or prior notice) all or any part of any Online Trading Facility or your access to any Online Trading Facility to change the nature, composition or availability of any Online Trading Facility, or to change the limits we set on the trading you may conduct through any Online Trading Facility.
- 44.3 You agree that you will not use any automated software, algorithm, trading signals, or trading strategy other than those that we make available to you on our Electronic Trading Platform without our prior written consent. In case of violation of this clause, we reserve the right to suspend or terminate your account with us with immediate effect. The Company reserves the right to take such measures also in cases where we identify excessive traffic and messages generated from your account.
- 44.4 In the event that you receive any data, information, or software via an Electronic Trading Service other than that which you are entitled to receive pursuant to this Agreement, you will immediately notify us and will not use, in any way whatsoever, such data, information, or software.
- 44.5 You will take all reasonable steps to ensure that no computer viruses, worms, software bombs, or similar items are introduced into the System or software you use to access our Electronic Trading Services.
- 44.6 We and our licensors (as the case may be) will retain the intellectual property rights in all elements of the Software and the software and databases contained within the Electronic Trading Services, and you will not, in any circumstances, obtain title or interest in such elements other than as set out in this Agreement.
- 44.7 With respect to any market data or other information that we or any third-party service provider provide to you in connection with your use of our Online Trading Facility, you agree that:
1. we and any such provider are not responsible or liable if any such data or information is inaccurate or incomplete in any respect;
 2. we and any such provider are not responsible or liable for any actions that you take or do not take based on such data or information;
 3. you will use such data or information solely for the purposes set out in this Agreement;
 4. such data or information is proprietary to us and any such provider, and you will not retransmit, redistribute, publish, disclose or display in whole or in part such data or information to third parties except as required by Applicable Laws, Rules and/or Regulations or as agreed between us;

5. you will use such data or information solely in compliance with the Applicable Laws, Rules, and/or Regulations;
6. you will pay such market data charges and any applicable taxes (if applicable, for direct market access, for example) associated with your use of our Online Trading Facility or use of market data, as we inform you from time to time;
7. we may require that you provide us with information in relation to you and your use or intended use of market data;
8. we may monitor your use of our market data;
9. we may require you to comply with certain conditions in relation to your use of market data; and
10. we may, at our absolute discretion, remove your access to market data at any time.

44.8 In addition to the above, in respect of certain types of Exchange data that you elect to receive via our Online Trading Facility, you hereby agree to any terms and conditions relating to the redistribution and use of such data that we may provide to you from time to time.

45. Information, Interest, Voting Rights, Dividends and Corporate Events/Actions

- 45.1 We are not obliged to, but we may inform you of or arrange the exercise of any voting rights attached to Instruments we hold on your behalf.
- 45.2 We will be responsible for claiming and receiving dividends accruing to the Instruments we hold on your behalf. Any dividends you are entitled to will be credited to your account as soon as practicable.
- 45.3 You shall be solely responsible for providing us with your instructions regarding clauses 46.1 and 46.2 above, but if we are unable to obtain your instructions, we may, without incurring any liability, use our judgment and act as we think fit in your best interest.
- 45.4 Any income payments or tax credits that we collect on your behalf will be credited to your account as soon as is practicable. We will not be liable for any loss of interest due to any delay outside our control in crediting any income to your account. Income payments will usually be credited in cash net of applicable Taxes.
- 45.5 We may at our election claim or reclaim tax credits on dividends or other income from foreign securities at our election. In order to deal in US Shares, you will first need to provide us with a valid US tax form. You have an ongoing obligation to inform us if your tax status changes.
- 45.6 If there is a corporate action on Instruments we hold on your behalf, we will use reasonable efforts to contact you, however you acknowledge that there may be situations where it is impractical to do so. We shall be under no duty to tell you of or act upon any corporate event until the relevant Instruments are registered in the name of our nominee. Only information issued through the applicable Exchange or the registrars will be relayed to you.
- 45.7 We will reflect a corporate event on your account as soon as practicable after we have received confirmation that the corporate event has been completed.
- 45.8 You must return any valid selection correspondence with respect to corporate action by the deadline specified by us, which may differ from other set deadline(s). It is your responsibility to ensure you have sufficient funds in your account to satisfy any purchase pursuant to a corporate action. Selection(s) received with respect to corporate actions are deemed to be irrevocable and final.

46. Settlements

- 46.1 The settlement date cannot be changed once you offer to enter into a Transaction.
- 46.2 The majority of the Shares are settled on a T+2 or T+3 basis, meaning that the Transaction settles with the Underlying Market two (2) or three (3) business days after it is executed from our side. Shares dealt on any settlement date greater than T+3 may obtain a worse price than those dealt on a T+3 settlement.
- 46.3 We are not responsible for any delay in settling a Transaction resulting from circumstances beyond our control or the failure of any other person or party (including you) to perform all necessary steps to enable completion on the settlement date. Our obligation is only to pass on to you or to credit to your account such deliverable documents or sale proceeds (as the case may be) as we actually receive.
- 46.4 We may refuse to allow a withdrawal from your account if it would leave insufficient funds to pay for any unsettled Transactions. If you make a payment into your account and then make a withdrawal shortly afterward, we reserve the right to delay settlement for up to eight (8) business days to ensure your payment has cleared.
- 46.5 If you Sell an Instrument, the consideration for the Transaction is less Commission, and all applicable charges and taxes for that Transaction will be available on your account for re-investment prior to settlement, and your account will reflect this. However, you will be unable to withdraw this sum from your account until the Transaction has settled. Should the transaction fail to settle, we may reverse the Transaction, return any Commission and all applicable charges and taxes for that Transaction, cancel the credit of any cash to your account, and amend your account to reflect the same.
- 46.6 If you Buy an Instrument, the consideration for the Transaction and all applicable Commissions, charges, and taxes for that Transaction will be deducted from your account. The Instrument will be available for sale on your account prior to settlement of the Transaction, and your account will reflect this. However, you will be unable to transfer this Instrument out of your account into your own name until the Transaction has settled. Should the Transaction fail to settle, we may reverse the Transaction, return any Commission and all applicable charges and taxes for that Transaction, cancel the debit of any cash from your account, and amend your account to reflect the same.
- 46.7 Palm Valley Commercial Brokers L.L.C (Incorporation No. 1205462, registered address: Al Khabeesi Building, Plot 128-246, Office 9-473, Dubai, United Arab Emirates) is duly authorised and acts solely in the capacity of payment agent on behalf of London Trading Index Limited (Incorporation No. 25630, registered address: Suite 305, Griffith Corporate Centre, Beachmont, Kingstown, Saint Vincent and the Grenadines)

47. Transferring Instruments, Dematerialization and Re-Certification

- 47.1 You may only instruct us to transfer Instruments that you own or that are held in custody by a third party on your behalf by sending us a completed transfer form.
- 47.2 Instructions to transfer Instruments held in certificated form to us may only be provided by sending a completed transfer form along with the valid title certificates. Certificated Instruments are settled as soon as reasonably possible.
- 47.3 If available and reasonably practicable, we will, on request, issue a certificate in your name with respect to any of your Instruments held by us. The safekeeping and delivery of all Instruments you hold in certificated form shall be at your risk.

- 47.4 If available and reasonably practicable, we will, on request, dematerialize any certificate in your name with respect to any of your Instruments and hold those Instruments on your behalf with our nominee.

48. Taxes

- 48.1 You must pay or reimburse us for any Taxes applicable, now or in the future, to your Instructions to Deal or Transactions and any Taxes applicable, now or in the future, payable by you pursuant to this Agreement.
- 48.2 Any applicable taxes payable to the Company or the applicable tax authority in relation to your Orders on Shares are immediately subtracted from your account. It is your sole responsibility to fund your account sufficiently prior to entering into a Transaction.
- 48.3 We cannot advise you on tax, and if you are in any doubt, you should seek your own independent advice. The tax treatment of Transactions and Charges may differ according to your personal circumstances and applicable tax legislation. Tax legislation and the interpretation of such legislation are subject to change. You may also be liable for other taxes and charges that are not imposed or withheld by us. You should seek independent advice if you are in any doubt as to what further taxes and charges may apply to you as a result of your trading activities.
- 48.4 You will be responsible at all times for the payment of all taxes due and for providing any relevant tax authority with any information relating to your dealings with us. Where we are required by law to provide information to a tax authority, this provision of information will be governed by our Privacy Policy. You agree that if we provide you with any information or express any opinion in relation to the tax treatment of your dealings with us, it will not be reasonable for you to rely upon any such statement, and it will not constitute tax advice.
- 48.5 You will be responsible at all times for the payment of all taxes due and for providing any relevant tax authority with any information relating to your dealings with us. Where we are required by law to provide information to a tax authority, this provision of information will be governed by our Privacy Policy. You agree that if we provide you with any information or express any opinion in relation to the tax treatment of your dealings with us, it will not be reasonable for you to rely upon any such statement, and it will not constitute tax advice.
- 48.6 Should any change in the basis or scope of taxation occur at any time which results in us having to withhold amounts on account of taxes owed or payable by you in respect of any Applicable Laws, Rules, and/or Regulations in respect of your Transactions or your account with us, we reserve the right to deduct the amount of any such payment(s) from your account(s) or otherwise require you to pay or reimburse us for such payment(s).
- 48.7 With regards to US Shares, please refer to clause 44.3 above.
- 48.8 In case you do not comply with or breach any of the above or provide false information, we have the right to terminate your account and liquidate the Instruments you hold.

49. Reporting

- 49.1 We may be obliged under Applicable Laws, Rules and/or Regulations to make public certain information regarding our Transactions with you. You acknowledge and agree that we are entitled to disclose such information and that such information held by us shall be our sole and exclusive property.

- 49.2 You acknowledge and agree that we may have to report a Transaction and/or provide relevant information regarding your Transactions to the applicable Exchanges and regulatory authorities.
- 49.3 You agree to provide us with all information that we may reasonably request for the purpose of complying with our obligations under Applicable Laws, Rules, and/or Regulations and that you consent for us to provide to any third party such information about you and your relationship with us pursuant to this Agreement (including but not limited to your Transactions, money or assets on your account) as we consider, acting reasonably, appropriate or as required to comply with any Applicable Law, Rule or Regulation or Term of this Agreement.
- 49.4 If you are a legal entity, you agree that we may, in certain circumstances, obtain a Legal Entity Identifier (LEI) on your behalf. You agree that we may do so if we consider that it is necessary in order to allow you to enter into Transactions with us and that we may pass on to you any charge we incur to obtain a Legal Entity Identifier (LEI) on your behalf and to levy an administration charge to cover our costs in doing so.

Chapter F: Margin Deposits, Collateral, and Payment

50. Margin and Collateral

- 50.1 Margin is the amount of cash that you are required to deposit with us in order to enter into Transactions/Contracts. Before you place a Transaction and/or Contract that creates an open position, you must ensure that the Margin in your account is sufficient to cover the Margin Requirement in respect of that open position. If your Margin is less than the Margin Requirement for the open position you wish to create, we may reject your Transaction and/or Contract. The Margin Requirement must be maintained at all times until the open position is closed and may increase or decrease at any time until the open position is closed.
- 50.2 **Contingent liability:** Where we effect or arrange a Transaction and/or Contract involving, for instance, a Contract for Differences, you should note that, depending upon the nature of the Transaction or Contract, you may be liable to make further payments when the Transaction and/or Contract fails to be completed or upon the earlier settlement or closing out of your position. You will be required to make further variable payments by way of Margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the Market Price of your investment will affect the amount of Margin payment you will be required to make.
- 50.3 **Margin call:** You shall pay us on demand: (a) such sums of money as we may from time to time require as Security for your obligations to us; (b) any amount necessary for maintaining a positive balance in any and all of your Accounts with us; and (c) such sums of money by way of deposits or as initial or variation Margin, in respect of and as Security for your actual, future and contingent liabilities to us in such amounts and in such forms as we, in our absolute discretion, may require. You accept that our Online Trading Facility operates with an automated risk monitoring, Margin Call and Stop-out facility designed to monitor the overall utilization of clients' available collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts they are entering into via our Online Trading Facility; using this automated risk monitoring, Margin Call and Stop-out facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call or Stop-out levels, as stated from time to time on our Online Trading.
- 50.4 **Margin requirements:** We may change our Margin requirements at any time. Any requirement for Margin payments must be satisfied within such time as may be specified by us or, if none is specified, immediately. One Margin call does not preclude another. Margin requirements may vary per Instrument. For further information on the applicable margin requirements per

Instrument, please refer to our website.

- 50.5 **Margin requirements prior to and during Market Disruption:** Without prejudice to what is set out herein above, the Company, at its sole discretion, may temporarily require a higher margin for placing new Orders for any specific or all Instruments (compared to the normal margin requirements of the Client's account) in the following cases:

1. Prior to and/or during Friday market closure.
2. Prior to and/or during any other market closure for any specific or all Securities.
3. Prior to and/or during any major news announcements, such as, but not limited to, the Non-Farm Payroll announcement made by the United States Department of Labor.
4. Prior to and/or during any anticipated abnormal Market conditions and/or Market Disruptions.

The above temporary increase in the margin requirements may affect any open Orders in your Account, either placed prior to or following the implementation of the new Margin requirement.

- 50.6 **Form of Margin:** Margin must be provided in the form of cash or, only in those instances in which we may agree otherwise, other assets, such as collateral (by which we mean investments, securities, bonds, or any other financial instrument, property or asset acceptable to us in lieu of cash) ("**Collateral**") (all together "**Assets**"). The currency of the Cash Margin you pay to us shall be the currency of the relevant underlying Transaction (if applicable) or as we may, at our discretion, reasonably decide from time to time. Cash Margin is paid to us as an outright transfer of title, and you will not retain any interest in it. The Cash Margin received by us will be recorded by us as a cash repayment obligation owed by us to you.
- 50.7 **Non-cash Margin:** Where we agree to accept non-cash Collateral, it must be in a form acceptable to us. The value of the non-cash collateral and the proportion of that value to be taken into account for Margin purposes shall be determined by us at our absolute discretion. We shall apply such terms and conditions as to the acceptance, valuation, and release of any Collateral you may provide as we may, in our absolute discretion, think appropriate. In particular, you are made specifically aware that we may determine, at our reasonable discretion, the value by which any such Collateral shall be registered and consequently contribute to our demands towards you and that we may continuously change the value of such Collateral without prior notice to you. In determining the amount of Collateral and the amount of our obligations to you, we may apply such methodology (including judgments as to the future movement of markets and values) as we consider appropriate, consistent with Applicable Laws, Rules, and/or Regulations.
- 50.8 **Failure to meet Margin call:** You are responsible for maintaining appropriate arrangements with us at all times for the receipt and communication of information regarding Margin. You shall promptly deliver any money or property deliverable by you in respect of any Transaction or Contract in accordance with the terms of that Transaction or Contract and with any instructions given by us for the purpose of enabling us to perform our obligations under any corresponding Transaction or Contract entered into between us and a third party. If you fail to provide us with Margin, deposits, or other payable amounts in accordance with the terms of any Transaction or Contract within the required time, we will be entitled, at our sole discretion, to close out any open Transaction or Contract without prior notice to you and apply any proceeds thereof to payment of any amounts due to us and/or, as we deem fit at our sole discretion. Such failure may also be considered as an Event of Default.
- 50.9 **Currency Conversion:** All initial and subsequent calls for Margin shall be made in the currency of the Transaction and/or Contract, or in the currency of your Account as we determine, in such amounts as we may in our absolute discretion require; we are authorized

to convert funds in your account for Margin into and from such foreign currency at a rate of exchange determined by us on the basis of the then prevailing money market rates. In such circumstances, we will not be liable to you for any loss suffered by you as a result of such action (although we will use reasonable endeavors to only convert such funds as may prudently be required to cover the position in respect of the relevant transaction).

- 50.10 **Refusal to accept Margin:** We reserve the right to return to you at any time, with or without reasons and without being obliged to provide you with any justification or explanation, any Assets deposited with us by way of Margin, Collateral, deposits, or otherwise.
- 50.11 **Negative Balance Protection:** This means the limit of a client's aggregate liability for all CFDs connected to a trading Account with the Company to the funds in that Account.

Trading in leveraged Instruments involves significant risk to your invested capital. However, London Trading Index follows a Negative Balance Protection policy on a per-account basis, which aims to ensure that your maximum losses from trading CFDs, including all related costs, are limited to the total funds in your trading account (i.e., no additional liability incurs). This should include any funds yet to be paid into your account due to net profits from the closure of open trades connected to your trading Account.

Notwithstanding the above, any indication or suspicion, in the Company's reasonable discretion, of any form of arbitrage performed in your Trading Account either solely or in connection with other clients of our company (including but not limited to risk-free profiting), abuse (including but not limited to participant's trading activity patterns that indicate that the participant solely aims to benefit financially without being genuinely interested in trading in the markets and/or taking market risk), internal hedging in coordination with other parties and abuse of our 'no negative balance,' constitute a violation of these Terms and Conditions. In such cases, we reserve the right, among others, NOT to apply our Negative Balance Protection policy and transfer any or all funds you may have in a different trading account to set off the obligations (e.g., negative balance) that have occurred to the other account used for any abusive acts.

51. Margin Call Policy / Margin Call Level / Stop-Out Level

You accept that our Online Trading Facility operates with an automated risk monitoring, Margin Call, and Stop-out facility designed to monitor the overall utilization of your available collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts you are entering into via our Online Trading Facility; using this automated risk monitoring, Margin Call and Stop-out facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call or Stop-out levels, as stated from time to time on our Online Trading Facility.

- 51.1 Our Margin Call Policy guarantees that your maximum possible risk is your Account equity. If the equity in your Account drops to 50% of the Margin Level required to maintain your open positions ("**Margin Call Level**"), you will receive a Margin Call. This is a warning message that the equity in your Account is not enough to support your open positions. At this point, you will not be able to take any new positions, and you will have the option to deposit sufficient money in order to maintain your open positions. When you have losing positions, your Margin Level will go down and may become close to the Margin Call Level. When you have winning positions, your Margin Level will go up, and the Margin Call Level may become more remote.
- 51.2 Clients are fully and personally responsible for monitoring of their Accounts, including, without limitation, whether and when their open positions reach the Margin Call Level.
- 51.3 The "**Stop-out Level**" is the level of your equity where our Online Trading Facility will start automatically to close trading positions (starting from the least profitable position and until

the Margin Level requirement is met) in order to prevent further account losses into the negative territory. For all trading accounts, the Stop-out Level is equal to 20% of the Margin Level required to maintain your open positions. Please note that hedged positions are also subject to margin requirements in cases where the equity of your Account has entered into negative territory; thus, the automatic Stop-out facility is initiated.

- 51.4 In the case where a 'Stop Order' or 'Limit Order' (or 'Entry Stop' or 'Limit') is entered at the same price that would trigger a Stop-out, the Stop-out will be executed when that price is touched (or gaps through the price), and all pending Orders attached to that trade will be canceled.
- 51.5 **When triggered, a margin call or, as the case may be, stop-out will take precedence over other order types.**

52. Security

- 52.1 **Security interest:** All Assets belonging to you that we may at any time be holding for you (either individually, jointly with another, or as a guarantor of the account of any other person) or which may at any time be in our possession or control or carried on our books for any purpose, including safekeeping, are to be held by us as Security for the performance of your obligations to us and held subject to a general lien and right of set-off for any of your liabilities to us and irrespective of the number of Accounts you may have with us. Without limitation, such Security shall comprise the credit balances on your Account(s), any securities registered as belonging to you on our books, and the value of your open positions with us. We may, in our absolute discretion and without notice to you, apply and/or transfer any or all Assets belonging to you between any of your accounts with us and combine or set off between accounts and convert any currency into another. Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set off any amounts (whether actual or contingent, present or future) at any time owing between you and us, paying you the difference. You may not withdraw or substitute any Assets or property subject to our security interest without our prior express and written consent.
- 52.2 **Secured Obligations:** Furthermore, as a continuing Security for the performance of all your obligations (whether actual or contingent, present or future) to us under or pursuant to these Terms and Conditions (the "**Secured Obligations**") you grant to us, with full title guarantee, a first fixed Security interest in all your Assets now or in the future provided by you to us or to our Order or under our direction or control or otherwise standing to the credit of your Account(s) under these Terms and Conditions or otherwise held by us or our nominees on your behalf. You agree that we shall be able to realize and apply such Assets in or towards the satisfaction of all or any part of any Secured Obligations that are due and payable to us at any time without notice to you and without being liable to you for any loss which may arise through such realization.
- 52.3 **Further assurance:** You agree to execute such further documents and to take such further steps as we may reasonably require in order to perfect our Security interest over, be registered as owner of, or obtain legal title to any Margin provided to us, secure further the Secured Obligations, enable us to exercise our rights or to satisfy any Market requirement.
- 52.4 **Substitution:** You may not withdraw or substitute any Assets or property subject to our Security interest without our prior express and written consent.
- 52.5 **Set-off on Default:** If an Event of Default occurs (as defined hereinafter) or this Agreement terminates, we shall set off the balance of cash Margin owed by us to you against your obligations (as reasonably valued by us) to us. The net amount, if any, payable between us

following such set-off shall take into account the amounts payable to us under the Clause headed “**Netting**” of this Agreement.

- 52.6 **Right to pledge, re-pledge, hypothecate, invest, or loan:** You hereby warrant and represent that any property or Assets you transfer to us as Collateral under these Terms and Conditions are free from any lien, Security interest, or other encumbrance other than the lien created, under these Terms. You hereby also grant to us the right to pledge, re-pledge, hypothecate, invest, or loan, either separately or with the property of other clients, any Collateral we hold for you, whether to ourselves as brokers or to others in satisfaction of our clients’ obligations to us or such third party.
- 52.7 **Negative pledge:** You undertake neither to create nor to have outstanding any Security interest whatsoever over, nor to agree to assign or transfer, any of the cash or non-cash Margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.
- 52.8 **Power to charge:** You agree that we may, to the extent that any of the Margin you provide us with under these Terms and Conditions constitutes “**financial collateral**” and this Agreement and your obligations hereunder constitute a “**security financial collateral arrangement**,” free of any adverse interest of yours or any other person, grant a Security interest over Margin provided by you to cover any of our obligations to an intermediate broker or Market, including obligations owed by virtue of the positions held by us or other of our clients.
- 52.9 **Power of appropriation:** You further agree that to the extent that any of the Margin you provide us with under these Terms and Conditions constitutes “**financial collateral**” and this Agreement and your obligations hereunder constitute a “**security financial collateral arrangement**,” we shall have the right to appropriate all or any part of such ‘financial collateral’ in or towards discharge of any Secured Obligations. For these purposes, you agree that the value of such ‘financial collateral’ so appropriated shall be the amount of the Margin, together with any accrued but un-posted interest, at the time the right of appropriation is exercised. It is further agreed and understood that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purposes hereof.
- 52.10 **Power of sale:** If an Event of Default occurs (as defined hereinafter), we may exercise the power to sell all or any part of the Margin you provide us with under these Terms and Conditions and shall be entitled to apply the proceeds of sale or other disposal in paying the costs of such sale or other disposal and in or towards satisfaction of the Secured Obligations. Such sale shall take place by the means that we, at our reasonable discretion, determine the price that we, at our reasonable discretion, determine to be the best obtainable.
- 52.11 **General lien:** In addition, and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Laws, Rules, and/or Regulations, we shall have a general lien on all Assets and property held on your behalf by us, our Associates or our nominees, until the satisfaction of all Secured Obligations. Without limitation, such general lien shall comprise the credit balances on your Accounts, the securities registered as belonging to you on our books, and the value of your open positions with us. We may, in our absolute discretion and without notice to you, apply and/or transfer any or all such Assets that you have deposited at any time with us or which may at any time be in our possession or control or carried on our books for any purpose, including safe keeping, between any of your Accounts with us and combine or set off between accounts and convert any currency into another. Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set off any amounts (whether actual or contingent, present or future) at any time owing between you and us, paying you the difference.

Chapter G: Commissions, Fees and Charges

53. Commissions, Fees, and Charges

- 53.1 You shall pay us such fees and charges (including, without limitation, spreads, charges, interest, and other fees) (“**Commissions and Charges**”) at such rates as are notified by us to you from time to time published on our Online Trading Facility. By accepting these Terms and Conditions, you acknowledge that you have read, understood, and accepted the information under the Spreads and Conditions Schedule posted on our Online Trading Facility, in which all such Commissions and Charges (including, without limitation, spreads, charges, interest, and other fees) are explained.
- 53.2 We reserve the right to amend, alter, modify, delete, or add to any of these Commissions and Charges at any time and at our sole discretion. When these Commissions and Charges are modified (hereinafter referred to as “**Changes**”), we will post such Changes on our Online Trading Facility and/or otherwise notify you of such Changes, each such notification of which shall be deemed as sufficient notice, and it is your duty to consult and check regularly the information posted under the Spreads and Conditions Schedule on our Online Trading Facility regarding any such Changes. Therefore, you should review the Spreads and Conditions Schedule on our Online Trading Facility from time to time to ensure that you are aware of any such Changes. Except if, and then to the extent provided otherwise in this Agreement, all Changes shall be effective five (5) calendar days after their initial posting on our Online Trading Facility or as of the first time that you access and/or use our Online Trading Facility after such amendments are made, whichever is sooner. Your continued use of our Online Trading Facility after the publication of any Changes shall be considered as your agreement to such Changes and shall be governed by those Terms and Conditions, as modified. If you do not wish to be bound by those Changes, you should cease to use our Online Trading Facility and inform us in writing immediately.
- 53.3 In the event that such Changes are to your advantage, or the grounds for such Changes are due to external circumstances beyond our reasonable control, we are entitled to modify such Commissions and Charges with immediate effect without the need to give prior notice. Such circumstances may include, without limitation: (a) Changes in the relationship with our counterparties, which affect our cost structures; (b) Changes in commissions and charges from exchanges, clearing houses, information providers, or other third-party providers that are passed on by us to you.

54. Other Fees and Charges

- 54.1 In addition to the Commissions, Fees, and Charges mentioned above, you shall be responsible for the payment of any other fees and charges that may be incurred as a result of the provision of our Services to you, including, without limitation, all applicable VAT (if any) and other duties and/or taxes, and all other fees incurred by us in connection with any Transaction and/or Contract and/or in connection with maintaining a client relationship with you.
- 54.2 In particular, we shall be entitled to demand that the following fees and/or expenses be paid separately by you:
1. all extraordinary disbursements resulting from our client relationship, e.g., telephone, courier, and postal expenses in the event that you request hardcopy Settlement/Trade Confirmations, Account Statements, etc., which we could have delivered in electronic form;
 2. any expenses we may incur caused by non-performance by you, including a fee determined by us in relation to the forwarding of reminders, legal assistance, etc.;

3. any expenses we may incur in connection with replies to inquiries by public authorities, including, without limitation, a fee determined by us in relation to the forwarding of transcripts and enclosures and for the preparation of copies;
4. administration fees in connection with Security deposits, and any expenses we may incur in relation to a pledge, if provided, including any insurance premium payments;
5. transaction fees in the event that no significant trading activity is developed in your Account, and
6. any expenses we may incur in connection with the auditor's comments/reports if such is requested by you;
7. swaps/rollover fees
8. a fee for any type of abuse/prohibited trading activity performed in your trading account either solely or in connection with other clients of our company.

Regarding the latter, where our business relationship has been terminated but you successfully opened an account and traded with our company due to any technical and/or human error, we reserve every right to immediately close your account upon identification, nullify any profit/loss generated, and refund the original amount of deposit, excluding any deposit and withdrawal charges, back to the same source of deposit.

Any such fees and/or expenses will be charged either as a fixed amount corresponding to payments made or as a percentage or hourly rate corresponding to the service performed. The calculation methods can be combined. We reserve the right to introduce new fees.

- 54.3 In addition, we (and/or our Associates, Business Introducers, or other third parties) may share and/or benefit from the commission, mark-up, mark-down, or any other remuneration in respect of any Transactions and/or Contracts entered into by us and/or in respect of any Transactions and/or Contracts carried out on your behalf. Details of any such remuneration or sharing arrangement will not be set out in the relevant Settlement/Trade Confirmations. We may, upon reasonable request, to the extent possible and at our sole discretion, disclose to you the amount of any such commission, mark-up, mark-down, or any other remuneration paid by us to any Associate, Business Introducer, or other third party.
- 54.4 If you instruct us to transfer open positions, money, and/or other Assets relating to your Account to another institution, you agree to pay us a transfer fee, as determined by us at our sole discretion.
- 54.5 In the event that your registration and/or trading information/data, including but not limited to the IP address, corresponds to the registration and/or trading information of another client or clients of our Company, we reserve the right to:
 1. terminate our business relationship with immediate effect; and
 2. apply any outstanding fees following the termination of the business relationship (e.g. administrative fees, any applicable charges for the closure of the trading account(s), withdrawal and deposit fees, etc.), with the minimum applicable amount of USD 10.

55. Payment Terms

- 55.1 Unless determined and stated otherwise "*in the terms agreed upon by mutual consent of the Parties*", all Commissions and Charges and other fees and charges shall be regarded as being due and payable immediately. Unless specified otherwise in these Terms and Conditions, any sums due to us pursuant to these Terms and Conditions may be deducted by us from the proceeds of any transaction or debited from your Account(s) with us. In the event of late payment overdue amounts shall bear interest at a rate that we shall reasonably determine.

- 55.2 Unless specified otherwise in these Terms and Conditions, all amounts due to us (or to any Agents used by us) shall, at our sole discretion, (a) be deducted from any funds held by us for you or (b) be paid by you in accordance with the provisions of the relevant difference account, Settlement/Trade Confirmation or other advice.

56. Currency Conversion

- 56.1 If we receive or recover any amount in respect of any of your obligations in a currency other than that in which such amount is payable, whether pursuant to a judgment of any court or otherwise, you will indemnify us and hold us harmless from and against any cost (including costs of conversion) and loss suffered by us as a result of receiving such amount in a currency other than the currency in which it is due.
- 56.2 We shall be entitled, but shall not in any circumstances be obliged, to convert:
1. any realized gains, losses, option premiums, commissions, interest charges, and brokerage fees that arise in a currency other than your Base Currency (i.e., the currency in which your Account with us is denominated) to your Base Currency;
 2. any cash currency deposit to another cash currency deposit for the purpose of purchasing an asset denominated in a currency other than your Base Currency;
 3. any funds held by us for you in any other currency we consider necessary or desirable to cover your obligations and liabilities in that currency.
- 56.3 Whenever we conduct such currency conversions, we will do so at such a reasonable rate of exchange as we select. We shall be entitled to add a mark-up to the exchange rates. The prevailing mark-up will be defined in the Spreads and Conditions Schedule on our Online Trading Facility.

57. Pricing of OTC Transactions

- 57.1 With respect to any OTC Transactions to be effected, we shall be entitled to provide Price Quotes at which we are prepared to trade with you. Save where we exercise any rights we may have under these Terms and Conditions to close a Transaction and/or Contract. It is your sole responsibility to decide whether or not you wish to enter into such a Transaction and/or Contract at such prices.

58. Prohibited Trading Techniques

- 58.1 **Circumvention & Reverse Engineering:** You shall not unlawfully access or attempt to gain access, reverse engineer, or otherwise circumvent any security measures that we have applied to our Online Trading Facility and/or computer system(s). If, at our sole discretion, we were to determine that you are in breach of this clause, we reserve the right to take all action as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibited trading activity, and we shall be entitled to inform any interested third parties of your breach of this clause; we have, and will continue to develop any tools necessary to identify fraudulent and/or unlawful access and use of our Online Trading Facility; any dispute arising from such fraudulent and/or unlawful trading activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision
- 58.2 **Artificial Intelligence Software:** It is absolutely prohibited to use any software that we determine, at our sole discretion, to have as its purpose to apply any kind of artificial

intelligence analysis to our Online Trading Facility and/or computer system(s) with an ultimate purpose of gaining unfair advantage and exploiting our trading facility; in the event that we determine, at our own discretion, that any such artificial intelligence software has been used, or is being used, we reserve the right to take all actions as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account. Under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibited trading activity and/or charge you with extra fees. In addition, we shall be entitled to inform any Interested third parties of your breach of this clause; we have and will continue to develop any tools necessary to identify fraudulent and/or unlawful access and use of our Online Trading Facility; any dispute arising from such fraudulent and/or unlawful trading activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into. Moreover, it is absolutely prohibited to use any software in such a way that can cause a serious negative impact on the performance of our servers and may prevent us from achieving the best possible result for our clients as regards the execution of their orders. In the event that we identify any such activity, we reserve the right to take all actions as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes, and/or immediately terminating your Account. Moreover, you acknowledge that once your Account has been terminated, we may liquidate any outstanding contracts/positions you have with us. In view of the above, please note that you will be strictly prohibited from opening any new trading Account(s) and trading with our Company. Nonetheless, in cases where you may successfully open an Account and trade with our Company due to any technical and/or human error, we reserve every right to immediately close your Account upon identification, nullify any profit/loss generated, and refund the original amount of deposit, excluding any deposit and withdrawal charges.

- 58.3 **Unlawful trading techniques:** Internet, connectivity delays, and price feed errors sometimes create a situation where the prices displayed on our Online Trading Facility do not accurately reflect the market rates. The concept of using trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices and/or by taking advantage of internet delays (commonly known as “**arbitrage**”, “**sniping**” or “**scalping**” hereinafter, collectively, referred to as “**Arbitrage**”), cannot exist in an OTC market where the client is buying or selling directly from the principal; accordingly, we reserve the right, at our sole discretion, NOT to permit the abusive exploitation of Arbitrage on our Online Trading Facility and/or in connection with our Services.

Any Transactions or Contracts that rely on price latency arbitrage opportunities may be revoked, at our sole discretion and without prior notice being required; furthermore, in those instances, we reserve the right, at our sole discretion and without prior notice being required:

- (a) to make the necessary corrections or adjustments on the Account(s) involved (including, without limitation, adjusting the price spreads available to the client);
- (b) to restrict the Account(s) involved access to streaming, instantly tradable quotes (including, without limitation, providing manual quotations only and submitting any Orders to our prior approval);
- (c) to retrieve from the Account(s) involved any historic trading profits that we can document as having been gained through such abuse of liquidity at any time during the client relationship;
- (d) to terminate the client relationship and/or close all Accounts involved (including, without limitation all other Accounts held by the same Account holder with us) immediately by giving written notice; and/or
- (e) to inform any interested third parties.

- 58.4 Any indication or suspicion, in London Trading Index’s sole discretion, of any form of arbitrage (including but not limited to risk free profiting), abuse (including but not limited to participant's trading activity patterns that indicate that the participant solely aims to benefit financially without being genuinely interested in trading in the markets and/or taking market risk), internal hedging in coordination with other parties, abuse of our ‘no negative balance’ policy, fraud,

manipulation, cash-back arbitrage or any other forms of deceitful or fraudulent activity, will constitute all Transactions carried and/or profits or losses garnered as invalid. In these circumstances, we reserve the right to close/suspend (either temporarily or permanently) all of the Client's trading Accounts and/or cancel all Transactions. In view of the above, please note that you will be strictly prohibited from opening any new trading Account(s) and trade with our Company. Nonetheless, in cases where you may successfully open an Account and trade with our Company due to any technical and/or human error, we reserve every right to immediately close your Account upon identification, nullify any profit/loss generated and refund the original amount of deposit, excluding any deposit and withdrawal charges.

58.5 We have and will continue to develop any tools necessary to identify fraudulent and/or unlawful access and use of our Online Trading Facility; any dispute arising from such fraudulent and/or or unlawful trading activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into.

58.6 **Changes in Market conditions:** Please note that we shall have no obligation to contact you to advise upon appropriate action in light of changes in Market Conditions (including, without limitation, Market Disruptions) or otherwise. You acknowledge that the Over-The-Counter Market in leveraged Securities is highly speculative and volatile and that, following execution of any transaction, you are solely responsible for making and maintaining contact with us and for monitoring open positions and ensuring that any further instructions are given on a timely basis. In the event of any failure to do so, we can give no assurance that it will be possible for us to contact you and we accept no liability for loss alleged to be suffered as a result of any failure by you to do so.

58.7 **Indemnification:** Without prejudice to any other provisions of this Agreement, you agree to indemnify us and hold us, any of our Associates, harmless from and against any and all liabilities, losses, damages, costs and expenses, including, without limitation, legal fees and expenses incurred in connection with and/or directly or indirectly related with, any fraudulent and/or unlawful access and use by you of our Online Trading Facility and/or the prevention and/or remediation thereof, provided that any such liabilities, losses, damages, costs and expenses would not have not arisen, but for our gross negligence, fraud or willful default.

58.8 **MT4 Multiterminal:** The Company may offer the trading platform MT4/MT5 Multiterminal which allows the Client to manage more than one trading accounts. You hereby represent, warrant, and agree that you will not use MT4/MT5 Multiterminal to manage trading accounts not belonging to you.

 3. you have provided full identification documentation to support your withdrawal request; and
 4. in cases where there are open positions in the Account, the Margin Level in your Account does not fall below the minimum required level specified in our Online Trading Facility.
- 63.4 If we accept any payments to be made by a debit card, credit card, or any other payment method in respect of which processing fees may be charged, we reserve the right to levy a transfer charge
- 63.5 If you make a deposit, we shall, without prejudice to any other provisions of this Agreement, use our best efforts to credit your Account with the amount of such payment within one (1) Business Day following the day on which the deposit has been accepted, if we are satisfied that you are the sender of the funds. At any given time, if we are not satisfied that you are the sender of the funds deposited in your Account, we reserve the right to reject such funds and/or return them to the remitter net of any transfer fees or other charges. You may be required to submit additional documentation as required by applicable “**Anti-Money Laundering (“AML”) Legislation**” and/or any other similar rules and regulations applicable. - 63.6 We shall be entitled, but shall not in any circumstances be obliged, without prior notice to you, to convert:

 2. any cash currency deposit to another cash currency deposit for the purpose of purchasing a Financial Instrument or asset denominated in a currency other than the Base Currency of your Account;
 3. any funds deposited with us or held by us on your behalf into such other currency as we consider necessary or desirable, at our sole discretion, to cover your obligations and liabilities in that currency;

Whenever we conduct such currency conversions, we will do so at such reasonable rate of exchange as we select, at our sole discretion; under these circumstances, we shall be entitled to add a mark-up to the exchange rates. Any such prevailing mark-up shall be posted on our Online Trading Facility in the Commission, Charges & Margin Schedule.

63.7 All foreign currency exchange risk arising from any deposits in and/or withdrawals from your Account or resulting from compliance by us with our obligations or the exercise of our rights under these Terms and Conditions will be borne by you.

63.8 We shall not be obliged:

1. to pay interest to you on any credit balance(s) in any Account(s) or on any other funds you deposit with us or which we are holding on your behalf; or
2. to account to you for any interest received by us, or in respect of which we are the beneficiary, in connection with any funds you deposit with us or which we are holding on your behalf, or in connection with any Contract and/or Transactions; you consent to waive all rights to such interest, and you acknowledge and agree that we will be the beneficiary of all such interest.

64. Several/Multiple Trading Accounts

64.1 In the event that you have more than one Account with us, we reserve the right to treat all such Accounts as if they were under one Account and to limit the number of Accounts maintained by a single household at our sole discretion.

65. Deposits, Refunds and Withdrawals

A. Deposits

65.1 We reserve the right to impose deposit limits and deposit fees in our system(s) at any time.

65.2 You agree that any funds transmitted to our bank accounts by you or, where permitted, on your behalf, will be deposited into your Account with us at the value date of when they were received by us and net of any charges/fees charged by the bank account providers, our payment service providers and/or any other intermediary involved in such transaction process. Before accepting any such funds into our bank accounts and/or making any such funds available in your Account with us, we must be fully satisfied that you, as our client, are the sender of such funds or that such funds have been transmitted to us by an authorized representative of you, as our client; in those instances where we are not satisfied that you are the sender of such funds, or that such funds have been transmitted to us by an authorized representative of you, we reserve the right to refund/send back the net amount received to the same remitter and by the same payment method through which such funds were received.

B. Refunds and Withdrawals

65.3 We reserve the right to impose withdrawal limits and withdrawal fees in our systems at any time.

65.4 Upon submitting a withdrawal request, you may be required to submit documentation as required by applicable “**Anti-Money Laundering (“AML”) Legislation**” and/or any other similar rules and regulations applicable to us.

65.5 When a withdrawal or refund is performed, we reserve the right (but shall under no circumstances be obliged) to remit the funds to the same remitter from, and by the same payment method through which such funds were initially received by us. In that connection, we reserve the right, at our sole discretion, to

1. decline withdrawals via certain specific payment methods;

2. require another payment method as the one indicated in any withdrawal request, in which instance a new withdrawal request may have to be submitted; and/or
 3. require that further documentation be submitted, as required by applicable “**Anti-Money Laundering (“AML”) Legislation**” and/or any other similar rules and regulations applicable to us, before proceeding with any withdrawal request.
- 65.6 If we are unable to remit the funds, or any partial amount thereof, to the same remitter and by the same payment method through which such funds were initially received by us, we reserve the right (but shall under no circumstances be obliged) to transmit the funds via an alternative payment method selected by us, at our sole discretion, in any currency we deem fit (regardless of the currency in which the initial deposit was made). Under these circumstances, we shall not be responsible for any transfer fees or charges charged by the receiver and/or for any currency exchange rates resulting from the payment of such amount. The provisions of Section 56 (Currency Conversions) hereinabove shall be applicable mutatis mutandis.
- 65.7 Withdrawal requests that are accepted and approved by us in accordance with the terms of this Agreement are, in principle, processed within one (1) Business Day following the receipt of the transfer request instructions. The amount to be transferred reduces the balance of the relevant Account from which such transfer is to be made when the transfer request process is concluded. We reserve the right:
1. to decline a withdrawal request if the request is not in accordance with the provisions of this Section; or
 2. to delay the processing of the request if we are not satisfied with the ancillary documentation submitted with the withdrawal request.
- 65.8 You agree, when we so request, to pay any bank transfer fees incurred when you are withdrawing funds from your Account or when funds are refunded by us to your designated bank account. You are solely responsible for the payments details you are providing us with and we do not accept any responsibility for your funds, if the payment details you have provided to us are incorrect or incomplete. It is also understood that we do not accept any responsibility for any funds that are not directly deposited into our bank accounts.

C. How to Withdraw Funds

- 65.9 **Withdrawal Priority Procedure:** Withdrawal of funds is only available to clients who have uploaded their supporting documents and had their trading Account validated. Clients may log in to the secure Members Area to upload their supporting documents (proof of identity and proof of address), and once the clients’ trading account has been validated, they will be able to withdraw funds from their trading account.
- 65.10 In order to protect all parties against fraud, London Trading Index will only process withdrawals/refunds back to the source of the original deposit according to the below Withdrawal Priority Procedure:
1. **Credit/Debit card withdrawals.** Withdrawal requests submitted, regardless of the chosen withdrawal method, will be processed via this channel to at least the total amount deposited via this method.
 2. **Bitcoin withdrawals.** Bitcoin refunds/withdrawals will be processed up to the amount deposited via this method once all Credit/Debit card deposits have been completely refunded.
 3. **E-wallet withdrawals.** E-wallet refunds/withdrawals will be processed once all Credit/Debit card deposits have been completely refunded.

4. Other Methods. All other methods such as bank wire withdrawals shall be used once deposits made with the above methods have been completely exhausted.

All withdrawal requests will be completed within 24 working hours; however, all withdrawal requests submitted will be instantly reflected in the client's trading Accounts as pending withdrawals. In case a client selects an incorrect withdrawal method, the client's request will be processed according to the Withdrawal Priority Procedure described above. All clients' withdrawal requests shall be processed in the currency in which the deposit was originally made. Should the deposit currency differ from the transfer currency, the transfer amount will be converted by London Trading Index into the transfer currency at the prevailing exchange rate.

- 66.5 In those instances where we are not satisfied of the above, we reserve the right to refuse the credit/debit card deposit(s) in question and to refund/send back the net amount deposited to the same credit/debit card account and via the same payment method through which such deposit(s) was/were made.
- 66.6 Fraudulent transactions are immediately canceled after being detected. - 68.1 All trades between you and us are entered into in reliance on the fact that this Agreement and all trades form a single agreement between the parties, and that we would not otherwise enter into any trades with you.
- 68.2 If we exercise our rights under this clause, all payment obligations will be consolidated into a single obligation for us to pay a net sum to you or for you to pay a net sum to us. If the aggregate amount that is payable by one Party exceeds the aggregate amount that is payable by the other Party, then the Party by whom the larger aggregate amount is payable shall pay the excess to the other Party and the obligations to make payment of each party will be satisfied and discharged.
- 68.3 This netting agreement shall be binding on all Parties to this Agreement and on the estate and/or creditors of all Parties to the client relationship under this Agreement.
- 68.4 Where the Company identifies or determines, at its reasonable discretion, that you engaged in any form of arbitrage or abuse, either solely or in connection with other clients of our Company, to solely benefit financially without being genuinely interested in trading in the markets and/or taking market risk, it may, at its sole discretion, exercise its rights under this Agreement, without your authorization or prior notice, and close your Open positions and/or close your account, combine and consolidate your Account with any or all other Accounts held in your name with the Company (including any Account that you have with any Associate of the Company), and set-off against each of your Account's balance (including profit or losses on Open Positions).
- 68.5 If the client relationship is terminated, then the claims that the Parties have against each other shall be finally discharged by means of netting (closed). The value of any open Contracts shall be determined according to the principles set forth below, and the final amount to be paid by one of the Parties shall be the net difference between the payment obligations.

69. Client Money and Assets

- 69.1 Without prejudice to the provisions of the immediately preceding Section of this Agreement, all Assets (including, without limitation, cash, or only in those instances in which we may agree otherwise, other assets, such as collateral, by which we mean investments, securities, bonds or any other financial instrument, property or asset acceptable to us in lieu of cash) handed over by you to us, or which we hold on your behalf for the provision of our Services ("**Client Money**"), will be held in an account with an approved bank and will be segregated from the Company's funds. Your Client Money may be pooled with the funds of other clients in a general omnibus account.

- 69.2 Unless you notify us beforehand and in writing, we may allow a third party, such as an exchange, a clearing house, or an intermediate broker, to hold and control all or part of your Client Money, where we transfer your Client Money:
1. for the purposes of a Transaction and/or Contract you have entered into, or are entering into with such third party; or
 2. to meet your obligations to provide Collateral or Margin for a Transaction and/or Contract (e.g., initial Margin requirement for a derivative Transaction).
- 69.3 You hereby authorize us to make any deposits and withdrawals from your Account with us on your behalf, including, without limitation and prejudice to the generality of the above, withdrawals for the settlement of all Transactions undertaken and/or Contacts entered into under these Terms and Conditions, as well as for the settlement of any and all amounts which are payable by you, or on your behalf, to us or any other person under and/or pursuant to these Terms and Conditions.
- 69.4 Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties,*" any amount payable by us to you shall be paid directly to you and not to any other Person, except in those instances where this has been agreed upon by mutual consent of the Parties.
- 69.5 Without prejudice to any other provisions of this Agreement, we may, at our sole discretion, from time to time and without your prior authorization, set off any amounts held on your behalf against your obligations to us and/or merge any of your Accounts with us.

- 69.7 Trading in leveraged Instruments involves significant risk to your invested capital. However, the London Trading Index follows a 'no negative balance' policy, which means that you cannot lose more than your invested capital.

70. Dormant and Archiving Policy

- 70.1 In the event that there is no activity (login/trading/withdrawals/deposits/internal transfer) in all of your Accounts for a set period of at least ninety (90) calendar days, we will regard your Accounts to be dormant. An Account shall be deemed as dormant from the last day of the ninety (90) calendar days in which there has been no activity (login/trading/withdrawals/deposits/internal transfer) in the Account.
- 70.2 All remaining bonuses/promotion credits will be automatically removed from dormant Accounts. In addition, any pending orders may be deleted.
- 70.3 Dormant Accounts will be charged a monthly dormant fee of USD 5 (five United States Dollars) or the full amount of the free balance in the Account if the free balance is less than USD 5 (five United States Dollars). There will be no charge if the free balance in the Account is zero. Following the implementation of the dormant fees, the dormant account will automatically be regarded as archived.
- 70.4 Accounts with free balance less than USD 5 (or currency equivalent) will be archived immediately, after a period of ninety (90) calendar days.

71. Islamic/Swap-Free Accounts

- 71.1 We offer the possibility to open Islamic (Swap-free) Accounts with us. Swap-free trading accounts are available only to those clients who cannot use swaps owing to their religious beliefs. Accordingly, in all instances where a request for an Islamic (Swap-free) Account is

filed with us, we reserve the right to require an adequate justification for and/or proof of the necessity or need of any such conversion. Furthermore, we reserve the right to refuse the processing of any such request for any reason whatsoever without being obliged to provide any explanation or justification.

- 71.2 While a client may file a request for an Islamic (Swap-free) trading account at any time, the filing of any such request entails that all of such client's other real trading Accounts with us will be converted into Swap-free trading accounts also, without any further notice being required. Conversion of a real trading Account to a Swap-free trading account is performed only upon the request and consent of those clients who complete and submit a request for an Islamic (Swap-free) Account. Upon the receipt of such a duly signed and executed request, we shall evaluate the request and any ancillary documentation submitted to us and shall inform the client who requested the conversion by e-mail whether the request is accepted or not.
- 71.3 Clients are not allowed to use Swap-free Accounts to make profits from Swaps and may not request the payment of any Swap amounts that have been lost as a result of converting their real trading Account(s) into one or more Swap-free Account(s) for the period during which their real trading Account(s) has/have been converted into one or more Swap-free account(s).
- 71.4 We reserve the right to revoke the Swap-free status granted to any real trading Account at any time without being obliged to provide any explanation or justification. Furthermore, in the event that we detect any form of abuse, fraud, manipulation, cash-back arbitrage, carry trades, or other forms of deceitful or fraudulent activity in regard to any Swap-free Account of any client, we reserve the right, at any time,
1. with immediate effect, to revoke the Swap-free status from any and all real trading Accounts of such client that have been converted to a Swap-free trading Account;
 2. to correct and recover any un-accrued Swaps and any related un-accrued interest expenses and or costs pertaining to any and all of such client's Swap-free trading Accounts during the period for which such Accounts were converted into Swap-free trading Accounts; and/or
 3. with immediate effect, to close all trading Accounts of such client with us, nullify all trades carried out in such client's trading Accounts with us, and cancel all profits or losses garnered in such client's trading Accounts with us.

Chapter I: General Provisions

72. Market Making

- 72.1 You are specifically made aware that in certain markets, we may act as a '**Market Maker**', i.e., we may take the risk of holding a certain number of Derivative Financial Instruments in order to facilitate trading in these Derivatives by displaying/quoting 'bid' and 'ask' prices ('buy' and 'sell' quotations) for such Derivatives on our Online Trading Facility and filling Orders received in respect to them from our own inventory or seeking an Offsetting Order.
- 72.2 In order for us to provide Price Quotes with the swiftness normally associated with speculative trading, we may have to rely on available prices or available information that may later prove to be faulty due to specific market circumstances, *for instance*, but not limited to, lack of liquidity in, or suspension of an Underlying Security or asset or errors in feeds from information providers or in Price Quotes from our counterparties. In these circumstances, provided that we have acted in good faith when providing the relevant Price Quote to you, we may cancel the relevant Transaction and/or Contract with you but shall do so within a reasonable time and shall provide you with a full explanation for the reason of such cancellation.
- 72.3 Following the execution of any position with you, we may, at our reasonable discretion, subsequently offset each such position with you with another client position or with a position

of our counterparties, or we may decide to retain a proprietary position in the Market with the intention to obtain trading profits from such positions. Such decisions and actions may, therefore, result in us offsetting client positions at prices different – sometimes significantly different – from the Price Quotes provided to you, resulting in trading profits or losses for us. This, in turn, can raise the possibility of you incurring what may be seen as an implied cost (*i.e.*, the difference between the price at which you traded with us and the price at which we subsequently traded with our counterparties and/or other clients), due to any profits realized by us as a result of the Market Making function. Please also note, however, that the Market Making function may involve significant costs to us if the market moves against us in comparison to the price at which we traded with you.

- 72.4 You accept that, in such Markets where we act as Market Maker, we may hold positions that are contrary to your positions and/or the positions of certain other of our clients, resulting in potential conflicts of interest between us and any such other of our clients.
- 72.5 In Markets where we act as a Market Maker, you accept that we have no obligation to quote prices to you and/or any of our other clients at any time in any given Market, nor shall we have an obligation to provide such Price Quotes to you and/or any of our other clients with a specific maximum spread.
- 72.6 You acknowledge, recognize and accept that the Price Quotes provided to you include a ‘spread’ when compared with the price for which we may have covered or expected to be able to ‘cover’ the Transaction or Contract in a trade with another client or a counterparty; furthermore, you acknowledge, recognize and accept that the said ‘spread’ constitutes remuneration to us and that such ‘spread’ cannot necessarily be calculated individually for all Transactions and/or Contracts and that such ‘spread’ will not be specified at the Settlement/Trade Confirmation or otherwise revealed to you.
- 72.7 Any commission costs, interest charges, costs associated with and included in the ‘spreads’ that are part of the Price Quotes provided by us as a Market Maker in certain Markets, and any other fees and charges will consequently influence your trading result(s) and may have a negative effect on your trading performance compared to a situation in which such commission costs, interest charges, costs associated to and included in the ‘spreads’, would not apply.
- 72.8 Whilst dealing ‘spreads’ and commissions are normally considered moderate seen in relation to the value of the Instruments traded, such costs may be considerable when compared with your Margin deposit. Therefore, your Margin deposit may be depleted by the trading losses, which you may incur, and by the directly visible dealing costs such as commissions, interest charges, and brokerage fees, as well as by the aforementioned invisible costs that are caused by our performance as a Market Maker.
- 72.9 If you are an active trader and you are undertaking numerous Transactions and/or Contracts, the total impact of visible as well as invisible costs may be significant. Consequently, you may have to obtain significant profits in order to cover the costs associated with the trading activities you undertake with us as a Market Maker. For very active clients, such costs may, over time, exceed the value of the Margin deposited with us. Normally, when trading Margined derivatives, the lower the percentage of the applicable Margin rate, the higher the proportion of the costs associated with executing a Transaction and/or Contract.
- 72.10 You are hereby specifically made aware that in the area of Market Making in CFD Contracts and other OTC products, significant implied costs can arise as a consequence of the profits made by us performing in our capacity as a Market Maker; thus, our performance as a Market Maker may negatively affect your Account with us, and the said associated costs may neither directly visible nor directly quantifiable for you at any time.

72.11 Please note that we are, at no time and under no circumstances, obliged to disclose any details of our performance or our income produced as a Market Maker or otherwise related to other commissions, charges, and fees.

72.12 You are hereby specifically made aware that CFDs may be OTC products quoted by us whilst operating as a Market Maker and are not traded on a recognized stock exchange. As a result, the description above of the implied, not visible costs related to our performance as a Market Maker may also apply to any CFD Contract.

73. Conflicts of Interest

73.1 You should be aware that when and where we, our Associates, or other persons or companies connected with us arrange Transactions and/or Contracts with you, we may have an interest, relationship, or arrangement that is material in relation to the Transaction and/or Contract concerned. Should such a conflict of interest arise, we will seek to resolve such conflict in such a way as we believe is in your best interests in accordance with our conflicts of interest policy (as amended or extended from time to time) (“**Conflicts of Interest Policy**”).

73.2 Specifically, you hereby acknowledge and confirm that:

1. we may assign or transfer the execution of your Orders to Associates and or other third parties as we deem fit;
2. we may execute at the same time Orders by different clients that are opposite to one another;
3. we may establish business, including, without limitation, trading relationships with other issuers of Instruments, in which we may have a financial;
4. we act as a Market Maker, and in this context, there may be inherent Conflicts of Interest; and
5. we may compensate and/or share our revenues from your activity with Associates, partners and other similar parties performing marketing activities on our behalf.

You hereby further acknowledge and agree that we also may compensate other clients who you have elected to follow and/or copy.

73.3 Full details of our Conflicts of Interest Policy are available on our Online Trading Facility. Our Conflicts of Interest Policy is a policy only, it is NOT part of these Terms and Conditions and is not intended to be contractually binding or impose or seek to impose any obligations on us which we would not otherwise have, but for the Applicable Laws, Rules and/or Regulations.

73.4 By accepting these Terms and Conditions, you expressly acknowledge and agree that we may transact such business without prior reference to any potential specific Conflict of Interest.

74. Special Provisions for Managed Accounts, Introduced Accounts, or Third-Party Vendors

74.1 If your Account is being managed by a trading advisor or is introduced to us, you acknowledge and agree that we are responsible only for acting as counterparty to you for Transactions and/or Contracts in your Account and that we have no responsibilities or obligations regarding any conduct, action, representation or statement of any such Persons in connection with your Account or any Transactions therein. You understand that we make no warranties nor representations concerning such trading advisor or Introducing Broker, that we shall not be responsible for any loss to you occasioned by the actions of such trading advisor or Introducer

of Business/Affiliate, and that we do not, by implication or otherwise, endorse or approve of the operating methods of such trading advisor or Introducer of Business/Affiliate.

74.2 You further acknowledge and agree that:

1. any trading advisor or Introducer of Business/Affiliate acts as an independent intermediary for you;
2. unless you have been expressly advised otherwise in writing by us, no such person is an affiliate, employee, or agent of us;
3. no such Person is authorized to make any representations concerning us or the Services to be provided by us hereunder, except as may be expressly authorized in writing by us;
4. we do not bear any responsibility whatsoever for whatever agreements reached by and between you and any such trading advisor or Introducer of Business/Affiliate; your agreement with any such trading advisor or Introducer of Business/Affiliate may result in additional costs since we may be obliged to pay commission fees or charges to such trading advisor or Introducer of Business/Affiliate.

74.3 You agree to waive any claims which you may have against us and to indemnify and hold us harmless for any actions or omissions of any such Introducer of Business/Affiliate or any of its associated persons.

75. Acknowledgements

75.1 You acknowledge, recognize, and understand that trading and investments in leveraged as well as non-leveraged Transactions and/or Contracts is:

1. highly speculative;
2. may involve an extreme degree of risk; and
3. is appropriate only for persons who, if they trade on Margin, can assume a substantial risk of loss in excess of their Margin deposit.

75.2 You further acknowledge, recognize, and understand that:

1. because of the low level of Margin normally required in highly leveraged transactions, price changes in the Underlying Security may result in significant losses, which may substantially exceed your investment and Margin deposit;
2. certain Market Conditions may make it difficult or impossible to execute Orders at a stipulated price;
3. when you instruct us to enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the value of the Underlying Security will be entirely for your account and risk;
4. we will not provide any advice to you; therefore, you agree not to hold us responsible for any losses incurred as a consequence of following any of our suggestions or those of our employees, associates, or representatives unless we have exercised gross negligence in connection herewith;
5. we shall not conduct any continuous monitoring of the Transactions and/or Contracts entered into by you; accordingly, we cannot be held responsible for any Transactions and/or Contracts developing differently from what you might have presupposed and/or to your disadvantage;
6. guarantees of profit or freedom from loss are impossible in investment trading;

7. you have received no such guarantees or similar representations from us, nor from any of our Associates, from an Introducer of Business/Affiliate, or representatives hereof, or from any other entity with whom you are trading.

75.3 In light of the risks, you should undertake such transactions only if you understand the nature of the trading into which you are about to engage and the extent of your exposure to risk. Trading Derivatives is not suitable for many members of the public, and you should carefully consider whether such trading is appropriate for you in light of your experience, objectives, financial resources, and other relevant circumstances. You acknowledge and confirm that you have been advised and understand the following factors concerning trading in leveraged Financial Instruments in the Over-the-Counter Market, in addition to those contained in the Risk Disclosure Statement posted on our Online Trading Facility.

General: When you engage in CFD transactions with us, you are entering into a privately negotiated contract directly with us as the Principal. In some cases, we may enter into related "back-to-back" transactions with other parties, including our affiliates or third-party counterparties. The price quotes we provide include a mark-up, which is factored into the pricing. Please note that the contracts you enter into with us, including leveraged securities and CFDs, are over-the-counter (OTC) and are not executed on a regulated exchange or cleared by a central clearing organization. As a result, any contract you enter into with us represents a direct obligation of our company, not that of a clearinghouse, as would be the case with exchange-traded contracts. Therefore, the regulatory and financial protections applicable to exchange-traded contracts will not apply. Both parties are responsible for fulfilling the obligations under each contract as per the agreed terms. These terms are outlined in the Terms and Conditions, which govern every transaction you enter into with us, and the specific details of each trade will be provided in the corresponding Trade Confirmation. Because the contracts are directly between you and us and not cleared through a central clearinghouse, you cannot transfer your obligations under any contract to another party without our prior written consent. Additionally, we are not obligated to close or terminate any contract before its maturity date. However, upon your request, we may, at our discretion, provide you with a quote to close out a contract early, but we are not required to do so.

Effect of "Leverage" or "Gearing": Transactions in leveraged financial instruments carry a high degree of risk. The amount of Initial Margin may be small relative to the value of the Instruments traded so that Transactions and/or Contracts are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. If the Market moves against your position or Margin Levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. We reserve the right to liquidate positions without prior notice in the case of any Margin shortfall or if you fail to comply with a request for additional funds within the time prescribed.

Furthermore, you should be aware that we and/or our Associates may, from time to time, have substantial positions in and may make a market in or otherwise buy or sell instruments similar or economically related to Transactions and/or Contracts entered into with you. In addition, we may also undertake proprietary trading activities, the initiation or termination of a contract transaction with you that may adversely affect the Market price or other factors underlying the Transactions and/or Contracts entered into with you and, consequently, the value of such Transaction and/or Contract.

London Trading Index may at any time amend the leverage ratios (i.e., decrease or increase the leverage ratios) in its sole discretion and without any notice on a case-by-case basis on all or any Accounts of the Client and based on any parameter it chooses, including applying different leverage ratios to different investments or times or in relation to external events such as government

announcements or any news. Any change in the leverage ratio may take effect before or after an Order is completed. A decrease in the leverage ratio will affect your Margin Level, Margin Call Level, Stop-out Level and may trigger a Margin Call. We will not be liable to you for any loss arising from any change in the leverage ratios, even if that automatically causes any or all of your trading positions to be closed out or if your Account is treated differently from other clients' Accounts. Any monitoring by London Trading Index is for its compliance and risk management, and you should not rely on London Trading Index to monitor your trading or the effect of any change in the leverage ratios applied to your Account. For further information on the leverage offered per financial instrument, please refer to our website.

Option Transactions: We currently do NOT offer foreign currency options.

Trading in Transactions in leveraged Financial Instruments is Speculative: Prices of leveraged Instruments are highly volatile. Price movements of Transactions and/or Contracts in leveraged Instruments are influenced by, among other things, interest rates, changes in the balance of payments and trade, domestic and international rates of inflation, international trade restrictions, and currency devaluations and revaluations. For example, there can be serious Market Disruptions if economic or political events locally or overseas affect the market. It is not possible to foresee all risks in advance.

Electronic Trading Facilities: Most Electronic Trading Facilities are supported by computer-based component systems for the Order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house, and/or member firms. Such limits may vary.

Electronic Trading: You will trade Instruments through our Online Trading Facility. Trading on an electronic trading system may differ not only from trading in an 'open-outcry' Market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system, including the failure of hardware and software. The result of any system failure may be that your Order is either not executed according to your instructions, is not executed at all, or has a lack of capability to keep you informed continuously about your positions and fulfillment of the Margin requirements. Since we do not control signal power, reception, or routing via the Internet, the configuration of your equipment, or the reliability of its connection, we cannot be responsible for communication failures, distortions, or delays when trading online via the Internet.

We do, however, employ backup systems and contingency plans to minimize the possibility of system failure, and trading via telephone is available in those instances where we specifically agree, at our sole discretion, to do so.

Commissions and other charges: Before you begin to trade, you should obtain a clear explanation of all commissions, fees, markups, markdowns, and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

Risk-reducing and entry Order strategies: The placing of certain Orders ('Stop-Loss' Orders or 'Stop-Limit' Orders, 'Entry Buy' Orders or 'Entry Sell' Orders) which are intended to limit risk, may not be effective because Market conditions may make it impossible to execute these Orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions, may be just as risky as taking long or short positions. Clients' Orders will become Market Orders when the predetermined price level is reached, even if the price is considerably different from the original Order.

Suspension or restriction of trading and pricing relationships: Market conditions (e.g., liquidity) and/or the operation of the rules of certain Markets (e.g., the suspension of trading because of price

limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect Transactions and/or Contracts or liquidate/offset positions.

Deposited cash and property: You should familiarize yourself with the protections accorded to money or other property you deposit for domestic and foreign Transactions and/or Contracts, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money, or property may be governed by specific legislation or local rules. In some jurisdictions, property that has been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall. The Transactions and/or Contracts you are entering into with us are NOT traded on an exchange. Therefore, under applicable bankruptcy laws, your funds may NOT receive the same protections as funds used to Margin or guarantee exchange-traded Transactions and/or contracts, which may receive a priority in bankruptcy. Since that same priority has NOT been given to funds used for Transactions and/or Contracts in the Over-the-Counter (OTC) Market, if we were to become insolvent and you have a claim for amounts deposited or profits earned on Transactions and/or Contracts with us, your claim may not receive priority. Without priority, you are a general creditor, and your claim will be paid, along with the claims of other general creditors, from any funds still available after priority claims are paid. In these circumstances, even the Client Money, which we keep separated from our own operating funds, may NOT in all instances be safe from the claims of other general and priority creditors.

Currency risks: The profit or loss in Transactions and/or Contracts in leveraged Instruments (whether they are traded in your own or in another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the position taken to another currency.

Transactions in other jurisdictions: Transactions on markets in other jurisdictions, including Markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Before you trade, you should enquire about any rules relevant to your particular Transactions and/or Contracts. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your Transactions and/or Contracts have been affected. You should enquire about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

Quoting and Execution Errors: Should quoting and/or execution errors occur, which may include, but are not limited to, a dealer's mistype of a quote, a quote or trade which is not representative of fair Market prices, an erroneous price quote, such as, but not limited to, a wrong big figure quote or an erroneous quote due to failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors, we will not be liable for the resulting errors in your Account balances.

In addition, Orders must be placed, allowing sufficient time to execute, as well as sufficient time for the system to calculate necessary Margin requirements. The execution of Orders placed too close to prices, which would trigger other Orders (regardless of Order type) or a Margin call, cannot be guaranteed. We will not be liable for the Margin call(s), resulting balance, and/or positions in your Account due to the system not having been allowed sufficient time to execute and/or calculate accordingly. The foregoing list is not meant to be exhaustive, and in the event of a quoting or execution error, we reserve the right to make the necessary corrections or adjustments on the Accounts involved. Any dispute arising from such quoting or execution errors will be resolved by us at our sole and absolute discretion. You agree to indemnify and hold us harmless from any and all damages or liability as a result of the foregoing. No correspondence will be entered into.

Off-Exchange Transactions: The Transactions and/or Contracts you are entering into with us as counterparty are NOT traded on an exchange but in the off-exchange/Over-the-Counter (OTC) Market. In general, the Over-The-Counter (OTC) Market is unregulated. There are no limitations on

daily price movements (unless imposed by a government or central bank authority), no rules to regulate valuation or settlement procedures, and no minimum financial requirements for market participants. Accordingly, it may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange Transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such Transactions, you should familiarize yourself with applicable rules and attendant risks.

75.4 In addition to the foregoing, it is important that you be fully aware of the following points:

1. We reserve the right to close part or all of your open positions to facilitate the charge of any fees or amounts due by you. Notwithstanding, you shall be liable for promptly paying such fee(s) to us, even if you suffer the full loss of all Margin deposited by you.
2. In case any Underlying Instrument is not available for trading for any reason (including but not limited to insolvency reasons, management decisions, etc.), we reserve the right to close any open/pending positions on the last quoted price as this is obtained from our liquidity providers.
3. We do NOT guarantee any Order. Placing “Stops,” regardless of the entry or closing designation, does not guarantee that the trade will be filled at the Order price. All ‘Entry Stops’ and ‘Stops’ will be filled upon activation at the first/best available market price, which may or may not match the requested Order price.
4. In the event liquidity providers are unable to provide liquidity to us, your Order may experience delays in execution, or you may not be able to place Orders entirely. The size of the Order may also impede the speed at which the Order is executed. Keep in mind that it is necessary to enter any Order only once. Multiple entries for the same Order may inadvertently open unwanted positions.
5. While trading on our Online Trading Facility, you might encounter system errors that result from hardware and/or software failures. The result of any system failure may be that your Order is either not executed according to your instructions, executed with account balance errors and discrepancies, or not executed at all. We will not be liable for the resulting errors in your Account balances. We reserve the right to make the necessary corrections or adjustments to the Account involved.
6. No system exists that could assure you that Transactions in leveraged Financial Instruments should bring you great benefits, nor is it possible to guarantee that your Transactions and/or Contracts will yield favorable results.
7. Even though the commodities and indices markets are liquid as compared with other financial and exchange markets, the market conditions might at times render the execution of an Order or of a ‘limit’ on an Order (either ‘Stop Loss’ or ‘Take Profit’) at a stipulated price impossible. Accordingly, even though the extent of the losses could be subjected to an agreed-upon limit, the risk of incurring losses could be higher, and that loss could occur in a relatively short period of time.
8. Since the deposit of an additional guarantee is not obligatory in this case, we reserve the right, at our sole discretion, to close any outstanding balances without your consent under these circumstances.
9. Under abnormal Market conditions, CFDs may fluctuate rapidly to reflect unforeseeable events that cannot be controlled either by you or us. Such circumstances may limit partially or fully your ability to trade.
10. It is important to make a distinction between Indicative Quotes, which are displayed on charts, and Dealable Quotes, which are displayed on our Online Trading Facility. Indicative Quotes only give an indication of where the Market is. Because the derivatives products Markets are decentralized, meaning they lack a single central exchange where all transactions are conducted, each Market Maker may quote slightly different prices.

Therefore, any prices displayed on any chart made available by us or by a third party will only reflect "Indicative Quotes" and not necessarily actual "Dealable Quotes" in respect of which Transactions or trades can be executed.

11. The risk information presented here does not reflect all of the risks as well as other important aspects intrinsic to Transactions in leveraged Instruments. Therefore, before starting to trade, you should learn the specifics of entering into such Transactions in detail or seek further professional advice.
12. Unless you have elected to carry a trade over the weekend, all trades will automatically close out in the real money mode when the Market closes at the end of the business week at the rates available at the end of the last trading day of the relevant week. All statements with respect to real money accounts will be open during the weekend, and all traders are welcome to view their trading Account information. We reserve the right not to offset Contracts carried over the weekend shortly after markets are open. We may, at our sole discretion, allow offsetting Contracts carried over the weekend when market liquidity conditions are reasonable.
13. There are a series of inherent risks with the use of mobile trading technology, such as the duplication of Order instructions, latency in the prices provided, and other issues that are a result of mobile connectivity. Prices displayed on our mobile platform are solely an indication of the executable rates and may not reflect the actual executed price of the Order. Our mobile feature utilizes public communication network circuits for the transmission of messages. We shall not be liable for any and all circumstances in which you experience a delay in Price Quotes or an inability to trade caused by network circuit transmission problems or any other problems outside our direct control, which include but are not limited to the strength of the mobile signal, cellular latency, or any other issues that may arise between you and any internet service provider, phone service provider, or any other service provider. Please further note that some of the features available on our Online Trading Facility may not be available on our mobile feature.

77.1 Neither Party shall disclose any information relating to the business, investments, finances, or other matters of a confidential nature of the other Party of which it may in the course of its duties or otherwise become possessed, and each Party shall use all reasonable endeavors to prevent any such disclosure.
